School Age Care Program

The P. & C. Association sponsors a high quality, fully approved and licenced Outside School Hours Care Program. This large service provides care for Prep to Grade 7 children before and after school. During the holidays, there are two programs offered. One is for Prep to Grade 5 and another for Grade 6 to 10 children. Children from all schools are welcome and parents/guardians are encouraged to play an active role in the Program via committee meetings.

Breakfast is provided before school and afternoon tea when school finishes. Vacation Care has two excursions per week plus swimming in summer.

All staff hold blue cards, current first aid certificates and most are studying education, childcare or other related fields.
