

ESL

Jindalee state school is supported by an ESL (English as a Second Language) teacher who provides assistance to students with ESL. ESL programs within Education Queensland schools focus on the English language, literacy and cultural demands of the curriculum and the student's current capacity to meet those demands.

The ESL Program operates in accordance with the Commonwealth Guidelines for Schools, under an agreement between Education Queensland and the Department of Education, Science and Training. Commonwealth funding is sourced through the

Commonwealth Targeted Assistance Programmes for the 2005-2008 Quadrennium:

The student report format is based on the ESL Band-scales used in Queensland.
