

## Term 3

Hello Parents

We hope you have had a nice break and all the coughs and colds have cleared so all the children are ready for more reading, writing, maths and learning in other areas. We are beginning a new unit on TOYS integrating the topics of Energy / Change and Materials.

During the first week we will be sending out a term 3 speaking roster as well as a personal sheet on Friends. These sheets will be shared with the class upon their return. The speaking roster will continue on a fortnightly basis.

A reminder to parents that children should be at school by 8-45am to put their bags away and be prepared for class. The first bell goes at 8-50am and all children should be in the classroom at this time ready to begin school.

Readers will continue to be taken home 4 nights a week and must be returned the following day. This practice is a very important part of the learning to read process and requires your continued participation. Please return any readers that may have been left at home from term 2.

We look forward to another fun and busy term,

Lyndal and Susan
