The main entrance to Jindalee State School from Burrendah Road has undergone a transformation in recent months with the changing landscape of our school. The tall trees that were causing plumbing and drainage problems were removed and have now been replaced with shrubs and grass trees and the area has also had seating added to provide an attractive and functional entrance as well as a rest area during the day.

Over the next several months, the plants will become established and we will see them begin to grow during the summer months. In the space of twelve months, we expect to see the area well covered and some of the plants will eventually grow to two metres tall and others will provide good ground cover. The landscaping was carried out by Jindalee Parent, Jo Wake, and her company Lime Design.

The cost of the project has been funded through the Jindalee State School P&C Association. Thank you to everyone involved in the project including our schools officer, Ken Hacker, who was involved in the project design and will ensure the garden is well looked after.

A Clever Future Today
The Jindalee State School vision is “Creating a Clever Future Today”. The purpose of our school vision is to allow us to focus on what it is we are achieving every day at our school. In 2009, our school community made a declaration that we would use innovation, creativity and a futures focus to become the community of tomorrow. Our vision is that community of tomorrow in action. Each day we have the choice about how we will create that clever future for ourselves, each other, our school and our community. At Jindalee we are focused on teaching and learning. Education is the path to the future for all of our students. By creating opportunities for students to use modern technology in learning through the “bring your own device” (BYOD) project, we are demonstrating our futures orientation. Our vision is something that we can choose to renew every day. Students, staff and parents can ask, “What am I going to do today and how will that create a clever future for me, my family, my friends and my community? ”

School Newsletter Upgrade
Jindalee State School newsletter is to undergo an upgrade in the next few weeks thanks to our partnership with Schoolzine http://www.schoolzine.com.au/

Our newsletter with Schoolzine will transform our previous newsletter format into a multi-functional, interactive platform that can be accessed wherever you have internet! It is the next amazing step from our last innovation when we produced a PDF copy of our print newsletter on our website. This new newsletter format is truly revolutionising the flow of information and communication between home, school and our community. The newsletter will still carry all of the school, P&C and community news and photographs and parents, staff and community members will still be able to contribute articles and our amazing newsletter editor, Gail Dymock, will still weave her magic in preparing the articles and items for publication. The only thing to change will be the interactive nature of the newsletter and the increase in available articles and access to information.

The first of the new newsletters will be published on Wednesday, 21 August, and will become a fortnightly publication instead of weekly. Next week, 7 August, will be the final of the weekly editions and Wednesday, 14 August, is the show holiday and no newsletter is published.

Walk to School
Remember, it’s on every Thursday! Full details are available on the school website.
Independent Public Schools
The Queensland Government has invited thirty-four more state schools to join the independent public schools program to join the twenty-six chosen in 2012. There are many things to be considered before submitting an application and there are some good reasons for Jindalee State School to consider its position.

Independent Public Schools have a business model that brings about improved performance and Queensland principals, teachers, parents and local communities have greater control and ownership of their schools.

Independent Public Schools will benefit from:

- enhanced local governance
- opportunities for innovation
- locally tailored workforce
- increased financial flexibility.

Our school will conduct some community consultation over the next few weeks to decide if it is in our best interests. Expressions of interest are due by 30 August. Information on independent public schools can be found at the department’s website http://education.qld.gov.au/schools/independent-public-schools/

National Science Week
National Science Week is an annual celebration of science in Australia. This year it will be celebrated from 10-18 August and the theme for schools is A Century of Australian Science. A Century of Australian Science will provide the opportunity to celebrate the contribution of scientists from across our nation and to highlight the people, including a remarkable number of Nobel Prize winners, whose research and discoveries have helped transform the way we live.

Jindalee State School is looking forward to celebrating this event on Tuesday, 13 August. Science will be showcased throughout the school from lunchtime on this day. During lunch there will be a variety of scientific things to see and participate in around the school such as showcasing the work of the Lego and Robotics clubs.

Scientific experts in our own community will share their knowledge on astronomy and life sciences in small workshops that children can attend. Teachers will be participating in a Brain Break morning tea on this day also. Keep on the lookout for the timetable on noticeboards around the school this week.

We invite any other parents or families in our community to share their own scientific knowledge on this day. If you have an idea for a short 10-15 minute scientific presentation that you think our students would be interested in, please email kfry9@eq.edu.au with your suggestion; the more things to offer the better!

BYOD Information
For parents who were unable to make it to the BYOD for 2014 Parent Information Nights, information is on the school website under the ‘Curriculum’ tab or alternatively you can call Georgina Allardice at school on 3725 5777 for further information.

Piano for Sale
Jindalee State School has a Yamaha (U1h p/E) 1978 piano for sale. The piano needs tuning and removal of the piano from the school would be at the purchaser’s expense. Please contact Justine at the school office on 3725 5777.

Photos - Sports, Music, Choir
A reminder that photos are on Thursday, 1 August (tomorrow) for Sports, Music and Choir groups. Please see your class teacher for the timetable. Students are required to bring their Sports, Music and Choir uniforms to school for the photos.

All Music Performance Groups - Photos
Thursday, 1 August (tomorrow)
Tomorrow, group photos of all our school’s Music performance groups will be taken. We need your assistance in ensuring the success of these photos! All students in Music performance groups must wear their Music Performance uniforms for the photos and must bring their musical instrument to school, if they are a member of an instrumental group. (Students in Marimba bands will wear formal uniform or Year 7 uniform).

It is vital that students wear the full performance uniform:

* Long black pants
* Black shoes
* White performance shirt
* Black socks

Message from the Chaplain
Last Monday was the Chappy Dinner at McDonalds Jindalee. A big thank you to all who attended the event and support Chaplaincy right here at Jindalee State School. I am pleased to say that we managed to raise approximately $350! It was great to meet and greet so many families from Jindalee; I really appreciate your support! Centenary Rocks had their 10th annual festival over the weekend. It was great to see so many families from Jindalee come and support the event. Did you manage to spot the Chappy tent at the festival? I will be away from Jindalee all of next week.

I am attending the annual Chaplaincy State Conference where I will be with all of the other 600 or so Chaplains in Queensland. That’s a lot of Chaplains! St Catherine’s Anglican Church (Macfarlane Street, MIDDLE PARK) run a Kids Club for children in grades 3 to 7 every Wednesday of the school term – 3.15pm to 5.00pm. If you would like more information, contact Gwen Neuendorf on 0417732240. Have a fantastic week and remember to stay safe!

Joshua Green

Special Education Program Survey
My role as Deputy Principal currently incorporates the Special Education Program. In order to obtain baseline data, I am conducting a survey of the programs currently run by the school. This survey will ensure that the educational outcomes of students accessing the program are met, that current practices that are beneficial to students are maintained, whilst ensuring that evidence-based practices are implemented and that National Curriculum changes are embraced. Please complete the parent survey by Friday, 9 August 2013. If you have any questions, please do not hesitate to contact me – Mary Heneghan on 3725 5735. Parent Survey Link: https://www.surveymonkey.com/s/QXSDMGW
From P&C President
With just over four and a half weeks until this years Fete, it's time to consider what you'll be able to do to help, either before hand, during or afterwards. People are needed on the Friday afternoon to set up tents, early on the day to assist with prep and also the pack away on Sunday morning. If you're not the early starting type, stall convenors should now be sending lists around where you'll be able to volunteer for an hour or two. It's a great opportunity to meet other parents and care givers that you might not always be able catch up with.

Can't commit any time on fete day? Well there's always the option of contributing your wares to one of the many stalls. Simply contact the stall convenor and find out how you can help.  Ben Marczyk  P&C President

Fete News
Arrr me hearties!! 31 sleeps to go!
There is a fete newsletter this week so make sure that you check out all the information in it. A huge thanks to Stef Bowker for putting such a professional looking newsletter together – you are a gem Stef! The rides pass form is on there too. $30 before Tuesday 27 August is such awesome value for 16 rides!!! Make sure you put your form into the office with your money or see Michelle outside the office on the dates nominated.

This is your last chance to obtain a Gold, Silver or Bronze Sponsorship of our amazing fete. We offer fantastic advertising benefits and with a new design for the fete flyer this year, it will be bigger and better than ever! If you would like the opportunity for your business to be seen by 20,000 homes in the Centenary and surrounding suburbs please contact Kara by email: kjames@fresheyesqld.com

Fete flyer artwork will need to be finalised by this Friday so contact Kara or Stef (info@whodunnit.com.au) now!

Fete Preparations
Two more of our convenor spots have been taken! A great big thanks to Narelle Murray and Kim Green. Narelle is keen to convene a stall for the first time and for those of you who don't know, Kim Green was a JSS fete convenor for five years. There is one more spot available in our awesome team! We really need a Sea Shells Cent Auction Convenor. As you will read in the fete newsletter, Sandy Weldon (PFV teacher) and Sam Wild McElroy (PFV Class Rep) are organising people to wrap prizes so we just need someone to organise volunteers beforehand and man the stall on the day. Please contact Kara if you are interested.

Donations required:
Books, DVDs and CDs taken at any time to 11 Trevi St, Jindalee. Any queries, you can call Kim on 0422 061 614. Please take your empty jars (without labels) to the office along with your collections of lemons, figs and passionfruit. If anyone would like to help make the preserves, please contact Kirsten on 3376 0267 / 0402 852 202 or email: kirsten.knowlton@gmail.com

Trash 'n' Treasure items need to be taken to Storage Choice at 50 Spine Street Sumner Park.

Fete Preparations (continued)

We have some wonderful sponsors so far for the fete! Please support them as they have been so generous to us.

FETE NEWSLETTER: See pages 6 to 9
SPONSORS: See page 6

Thank you for your ongoing support. Kara James, 2013 Fete Convenor kjames@fresheyesqld.com

Position Vacant—CLEANER
A vacancy exists for a Cleaner - 16.25 hours per week at Jindalee State School. An Application Package is available from the school office. Applicants must address the selection criteria and be able to obtain a suitability blue card from the Commission for Children. Please return applications to:
The Business Services Manager, Jindalee State School, 114 Burrendah Road, Jindalee Qld. 4074
Applications close at 3:00pm on Wednesday, 7 August 2013. For more information, please telephone 3725 5735 or email jdunn39@eq.edu.au

JINDALEE STATE SCHOOL FETE
SPONSORED BY REMAX INNOVATION
SATURDAY 31 AUGUST 2013

Kara James

Wow! We have such an awesome fete day planned for this year! I feel extremely lucky that we have such a wonderful team of convenors working so hard and enthusiastically towards an amazing day for everyone. There are currently 17 external stall holders who have confirmed their attendance, that’s 3 more than the 2012 fete and we still have 4.5 weeks to go! We have two roving entertainers this year... one will be a water maiden on stilts and then turn into a crystal juggler who will be walking around entertaining the fete patrons and then a little later on we will have a pirate who will be modelling balloons for the kids, making all sorts of fabulous creations.

The convenors will very soon be sending home or emailing their stall rosters to their nominated classes. Please get back to them as soon as you can as it makes it much easier to plan.

Thanks to Narelle Murray (Treasure Island Trash ‘n’ Treasure), Zabeen Nisha (International Food) and Kim Green (Electric Eel Live Auction) for taking on the stalls that still needed organising. There is now only one stall left to go... Sea Shells Cent Auction. Sandy Weldon and Sam Wild McElroy are organising people to wrap the Cent Auction prizes, all that is needed now is someone to organise the volunteers and run the stall on the day. If there is anyone who is thinking about this and wanting to give it a go and join our fantastic team please email: kJames@fresheyesqld.com

We are seeking pop up marquees to use on day. If you or the company you work for have any that we can borrow, please contact Elizabeth, our Site Convenor, by emailing echadkirk@gmail.com or phoning 0410 557 497 (after hours).

FETE FLYER BUSINESS CARD LISTINGS

DONATIONS

31 sleeps to go
AN UPDATE FROM OUR CONVENORS

Captain’s Coffee Cabin
We are well underway with organising the Captain’s Coffee Cabin. This week P1R and G1H will be receiving information on our stall and how you all can help us. If you have any coffee machine experience we would love to hear from you.

Not long now.
Michelle Politt

Fete Decorations

The students have been doing a fabulous job making under the sea decorations at the lunch time craft sessions in the Library. Last week saw some great creativity displayed in the making of beautiful sea horses, and this Thursday we will be creating a colourful school of rainbow fish. Thanks to all the children who have participated so far!
Bec Hollis

Little Mermaid Entertainment
We have our best dressed boy & girl competition again this year being judge by Bernie Ripoll MP at 11.45am. Come dressed as your favourite sea animal or character.
Kym Randerson

Neptune’s Novelties & Glow Sticks
Our glow stick stall is going to be running all day this year. We are selling some fun novelties throughout the day and when the evening comes we have some great new glow products for you. If you have a child in 4F and are able to help any time after 5pm, please contact Cathy cabledaynight@gmail.com
Catherine Loveday

Buccaneer’s Bounty & the Golden Palm
I’m sure everyone would love to win gourmet goodies or $200 in cash. Tickets for our grocery raffle and money tree raffle will be our next week! Tickets are only $1! Buy up and sell them to your friends, and family! Tickets and money are due back to the office Monday 26 August.
Christina Sellick

Jellyfish Jams
We need your small jars please. Plastic lids are fine. Labels on is fine. If you do want to take the labels off, I have found laundry liquid is fantastic. No baby food jars though. Thanks to all those families in Prep R and our friends, who have donated or made things for our stall. It is greatly appreciated.
Kirsten Knowlton

Ariel and Flounder’s Cakes and Sweets Stall
Great prizes on offer again this year for best decorated cake/biscuit box in theme of fete eg submarines, mermaids, fish etc.
The class with highest percentage of entries will win a class cake (goods must be received and are based on percentage of class).
The entry form deadline is Friday 9 August. Please give your form to your teacher or the office.
We are also looking for donations of toffees and allergy/intolerance friendly products to sell at the stall.
Nat Walker, Stacey Ide & Kylie Sutton

The Submariner
Crafty Mothers Just Keep Getting Craftier

It's all happening over at team craft. If you have been frequenting our Facebook site you will have noticed many posts about our new products.

We are so excited; we cannot wait for fete day. Our wares are available for purchase anytime now and you can check out some of what we have for sale on the fete website http://jssfete.wordpress.com/the-stalls/coral-cave-of-craft/ Of course we will still have a well stocked stall on fete day too. Look out for the Coral Cave of Craft!

In addition to this, we will also be setting up a table with a few of our products for sale in the staff room. Items will be there on a continual basis and will be rotated every couple of weeks with stock pertinent to the season. For example: right now there are some nice warm scarves, door draft snakes and Fathers' Day cards.

As the Crafty Mothers have been well and truly pooling resources and coming up with new ideas, I have set up a Facebook site where we can communicate with other schools and communities. It is a place to share ideas and swap craft materials. It is a new site with only a few visitors so far but it is as far reaching as Sydney and Melbourne. Keep your eye on it as it gains momentum.

Stop by and like if you like. https://www.facebook.com/craftyschoolmums

Stef Bowker

The New Improved Fete Flyer: In Your Mailbox Soon

This year we have had amazing support from our community! We have more sponsors than ever before; more stalls and more rides. This fete is shaping up to be a huge event.

As a result our little single page flyer is just not going to cut it anymore.

Instead we are going to a new, improved 4 page, foldout flyer. And it’s not just a flyer - it will contain lots more useful information and will double as a map and program for the fete. It will be printed in full colour and the map will be accompanied by a clear, colour co-ordinated legend.

20,000 of these will be delivered throughout the Centenary Suburbs and surrounds on the weekend prior to the fete. A further 4,000 will be distributed on the day to our guests.

As the new format is a much more useful document this will also be very beneficial to our wonderful sponsors whose businesses will be displayed prominently throughout.

Our fabulous fete would not be possible without the generous sponsorship from these local businesses. Please consider this when making your future purchasing decisions.

11th Hour Call For Sponsors and Business Card Ads

Time is just about up to get on board as a sponsor. We have a few opportunities left and this is a last, last, last minute call.

There is one business card ad space left. We have a few Bronze sponsorship opportunities, one gold and two silvers available.

The flyer will be going to print on Friday this week so we would need to know by close of business tomorrow at the very latest.

Contact Kara: kjames@fresheyesqld.com or Stef: info@whodunnit.com.au as soon as possible if you would like to take up one of these opportunities.
