Principal’s News

I commence this newsletter with the confirmation that, following a relocation process, Meaghan Rodgers from Hambledon State School in Cairns has been appointed as Principal of Jindalee State School from the commencement of the 2015 school year. Meaghan is an experienced Band 10 Principal who I am sure will bring a wealth of experiences from her present role to further progress the learning priorities at Jindalee.

Whilst some have communicated to me over the past few days that it is unfortunate that there is to be another change in the administrative team, I understand that for many it will be a relief to know that the process of settling into a permanent administrative team has commenced. This will ensure that the work progressing presently will be built upon in a systematic and planned manner for the future. I wish Meaghan well as she commences her preparation to relocate to Brisbane and take the helm of such a dynamic school with a dedicated staff and community.

The role of a teacher is extraordinarily complex but equally rewarding given the privilege bestowed upon us to help shape the lives of young people and support families to achieve the best results we can for each individual. At Jindalee many of our teachers go above and beyond what is required of them, to provide the best service to students and families. I find it an honour being able to work amongst some of the most dedicated, well researched and forward thinking teachers who strive to achieve our school vision of “creating a clever future today”. Well done to all of our teachers and the talented staff who support them to do the important work that they do.

On Friday October 31 we will be celebrating World Teacher’s Day. Teachers around the world spend a good amount of their time not only teaching the curriculum but also supporting student’s social and emotional needs. Teachers are also often there to assist when an accident or injury has been sustained or a little extra attention is required. I am sure that at some point we have all benefited from the contributions of a special teacher who was there to motivate us, teach us, or care for us in a way that acknowledged we were important. If you would like to let your child’s teacher know the positive influence they have had on your child, please feel free to drop them a line or perhaps have your child prepare something for them. Often it is the simple things that we treasure the most.

In the last newsletter you will recall I made mention of the Queensland Education Accord Summit I attended over the school holidays. Documentation is now available online, providing the public with access to the summit’s deliberations and findings, speaker presentations, participant activity worksheets and a full transcript of the day. I encourage all families to view these materials to better understand the developing vision for Queensland education into the future.

Over last weekend Queenslanders celebrated Grandparents Day on Sunday 26 October. Grandparents Day recognises the significant contribution that grandparents make to their families and communities. The day is celebrated annually in Queensland on the last Sunday in October. Did you know that in 2011 around 937,000 Australian children received child care from a grandparent on a regular basis? This represented over a quarter of all children (26%) aged 0-12 years who regularly attended some type of child care.

I would like to recognise all of the grandparents for the magnificent contributions they make to the lives of our students and the support they offer many of our families.

Over recent weeks I have had a number of conversations in relation to the collection of students in the afternoon. Among these has been discussions regarding children who are unsure of what to do in the afternoon if not collected for the day. Please note that at our school we reinforce with the students from time to time a very simple routine for them to follow if they are unsure of how they may be getting home. Our process is to remind students to come to the office if they believe they have been left at school. Office staff will make contact with parents or other care providers listed on the emergency contacts. As a result it is important that you keep these numbers up to date. At no stage should your child feel anxious or frightened. You can assist us by reminding children of this procedure to ensure that they are clear.
Tuckshop day 7 November

Our tuckshops perform an important role in school life and much of the hard work undertaken by tuckshop convenors and volunteers is done out of the public eye. They provide an invaluable service in ensuring students have access to nutritious, tasty and affordable food. Tuckshop Day on Friday 7 November gives school communities the opportunity to show their appreciation for the work they do. Celebrate this day and give your tuckshop convenors and volunteers a big “thank you”.

Bill Carey
Principal

Proposed New Passenger Loading Facility

After a long consultation process, the proposed new passenger loading facility on Wongaburra Street Jindalee has been agreed to by Brisbane City Council. We have received a small amount of feedback and as a result we will be having a meeting to discuss the Plan and a possible opportunity to tweak the pickup zone.

P&C members, school representatives and Constable Ben Harm will at the meeting to discuss all the feedback.

It will be held in the school staffroom at 7pm on Monday 3rd November and everyone is welcome to attend.

Cyber Safety Program – Year 1 to Year 4

This term Jindalee State School will be participating in a pilot program called “Fiscal the Fraud Fighting Ferret Cyber Safety Program”. This program will be conducted with our Year 1-4 students. Fiscal visited our school assembly last week to introduce himself to our students. A permission note was sent home with all students in Year 1 to Year 4 in regards to this program. Please return this form to the school if you DO NOT wish for your child to participate in the program. Lessons will be conducted by our adopt-a-cop Ben Harm and will begin on Tuesday 28 October. Students will receive a lesson once per week.

Fiscal the Fraud Fighting Ferret
Cyber Safety Pilot Program

Would you like your children to grow up in a community rid of cyber bullying?
Are you concerned that your children are connected to the internet?
Would you like your children to learn more about cyber safety?
Do you need to know more about internet security?

Join our exciting new initiative designed to educate your children and family about these important issues!

The Queensland Police Services’ Fraud and Cyber Crime Group is pleased to announce the “Fiscal the Fraud Fighting Ferret Cyber Safety Program”. This program aims to encourage school children to accept the responsibility of being “Fiscal’s Deputy;” to learn about cyber safety, online threats and responsible online behaviour and to share this information with their family.

The program is about to enter the pilot phase, and your school has been chosen to participate and be one of the first to experience this innovative program. The program, which will be coordinated by your local School Based Police Officer Constable Ben Harm, or local Crime Prevention Coordinator and will comprise visual presentations and fun interactive, take home educational activity sheets.

Participating children will be provided with rewards and incentives for their contribution and commitment to the program. To find out more about Fiscal head over to www.FiscalTheFraudFightingFerret.com.au

Internet safety presentation helps children stay safe online

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help your children stay safe online, Jindalee State School is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach—Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge.

Jindalee State School is committed to helping students develop appropriate behaviours when using digital technologies, both at school and home. Our program of internet safety initiatives includes:

- cyberbullying and cybersafety lessons in classes
- parent information sessions
- Cybersmart Help button installed on all school-owned computers

- Cybersafety professional development sessions for teachers
- BYOD and 1-to-1 Laptop Handbooks, Agreement Forms and Acceptable Use Policies

The Cybersmart Outreach—Internet Safety Awareness presentation will be held on:

**Thursday 6 November in Kirinari at 7:00pm**

To register your attendance, please contact Georgina Allardice at galla7@eq.edu.au as soon as possible. Enrolments will also be accepted on the night.

All Groups Musical Evening: Thursday 13 November, 7:00pm in School Hall

Our annual All Groups Musical Evening, featuring performances by all the school’s Choirs, Bands, String groups, Marimba band and Drum group is being held on Thursday 13 November, 7:00pm – 9:00pm in the school hall (Doors to hall will open at 6:45pm). This is always a very memorable event, showcasing our school’s great wealth of musical talent and all families and friends are welcome to attend.

Raffle tickets will also be on sale, with prizes drawn throughout the evening.

As in previous years, the P&C will host a BBQ outside the hall prior to the concert (5:45pm – 6:45pm) giving families an easy pre-concert dinner option. If you are able to assist at the BBQ, please leave your details with Nicky Taylor at the school office or email her at ntayl132@eq.edu.au.

Parent helpers are also required to assist with setting up the stage in the hall in the evening on Wednesday 12 November from 6:00pm. If you can assist with stage set-up please leave your details with Kathy Hacker at the school office or on her email khack22@eq.edu.au.

All performing students will be provided with further details by the various musical group directors.

Japanese delegates ICT visit

On Tuesday 14 October twenty-two delegates from The National Centre for Teachers’ Development in Japan visited Jindalee State School to learn more about how ICTs (Information Communication Technologies) are used for learning.

This delegation consisted of educational leaders from 17 primary and secondary schools across Japan. The program was organised by Japan Ministry of Education (MEXT) and the peak body of teacher training organisation (NCTD). The delegates visited exemplary schools in Victoria and Queensland for benchmarking on ICT in schools.

The visitors were welcomed into classrooms across the school and explanations about how ICTs are embedded in learning were given with the assistance of an interpreter using a simultaneous headset.

The Japanese delegates appreciated our warm welcome. Associate Professor, Faculty of Education, University of Toyama, Jun Takahashi said, “Jindalee State School is very impressive for me. There are earnest teachers and excellent usage of ICT in the classroom environment.”

The visit provided affirmation that Jindalee State School is leading the way in providing students with contemporary learning experiences.

Mr Bill Carey, Principal, Jindalee State School and Takashi Yasui, Director General, Nara Prefectural Institute for Educational Research, Vice Director.

**eLearn iLearn uLearn 2014**

On Friday 17 October 2014, Jindalee hosted ‘eLearn iLearn uLearn 2014’ – a BYOD, 1-to-1 learning and eLearning event for educators from around Queensland. Around 100 participants attended sessions on the day presented by Apple, Microsoft, the DETE (Department of Education, Training and Employment) BYOx team and Jindalee State School’s own teachers.

Many Jindalee staff teachers had the opportunity to attend the workshops offered throughout the day. Georgina Allardice, Michael Allardice, Tracy Hume, Angela Waugh, Chad Waugh and Tanya Hatchett presented sessions on various aspects of BYOD and contemporary learning. Many teachers and students welcomed the educators to their classrooms and the eLearn day provided a wonderful opportunity to showcase the great learning occurring at Jindalee.
One eLearn participant said, “I wanted to let you know how much I appreciated the day last Friday. As a school just starting on the BYOx journey, I found it incredibly helpful. It was invaluable to hear the journey your school has taken and be able to talk to those involved, see the classrooms and have access to the documents you have produced.” Other feedback included, “The enormous amount of work over the years that has gone into the 1-to-1 laptop program, BYOD program and the eLearn day is evident and I thank you and the other staff at your school for sharing this with us all.”

Jindalee State School Chess Champions

Jindalee State School has conducted chess club for a number of years, with the introduction of chess coaching this year, which is offered on a Tuesday and Wednesday afternoon. We have a number of highly accomplished chess players at our school and were very excited at our last interschool chess competition to hear that we had secured a position in the State Finals which was held last weekend on the 18 and 19 October.

William D, Daniel F, Brandon Y and Evan F are a testament to the many talented and highly accomplished chess players that we have at Jindalee State School. They were selected as a team to play in the Gardiner Chess State Finals which was held at Brisbane State High School. This required little effort from these boys as they got to play a game over the weekend that they love. Their competent level of problem solving skills and ability to make accurate and fast decisions under time pressures paid off on the day. These talented players came 4th out of 30 teams, an outstanding achievement. As a school we are extremely proud of how they played during the weekend and the determination and persistence they displayed throughout the tournament. Well done boys!

JETS showcase

We were very happy to see the return of JETS in 2014 and the students were all very excited. We had over 117 entries.

The talent here at Jindalee State School is amazing. We had lot of different acts like dancing, singing, comedy skits and instrumental pieces.

All of the heats were run in lunch times for two weeks and the adjudicators narrowed the acts down to just over 30.

The overall result was 15 Gold acts, 9 Silver acts and 9 Bronze acts.

We would like to say a BIG thank you to our teachers, Mrs Cox, Ms Miller, Mrs Whittering, Mrs Allardice and the Tech Crew for all their help in running JETS this year.

Congratulations to all the students who entered the showcase, you all have amazing talent and make Jindalee State School a great place to learn.

Download the results of The JETS Showcase 2014 here.

Jindalee stars compete at Queensland Track and Field

Congratulations to Brock, Kyra and Jasmine for competing in the Queensland Track and Field Championships.

We are very proud of your efforts;

Brock (discus 28m)
Kyra (shot put 9.86m)
Jasmine (high jump 1.28)

Unfortunately, our Jindalee stars were not selected in the QLD team.

Tallebudgera Beach Camp is a big hit with Years 6 & 7!

At Camp Tallebudgera both Year 6’s and 7’s enjoyed everything about it and we all learned many new things like taking care of the planet and that team work can solve the hardest of puzzles. The first day everyone had been put in cabin groups and teams. The teams were Pelicans, Muddies, Mantas, Seagulls and the Sharks. The Pelican’s first activity was to walk up Burleigh Mountain. Some students were really interested learning about the Yugambeh people and the things that the Yugambeh people did and what they believed about the mountain. Right after the walk everyone had some free time which was an hour of whatever you liked to do such as reading books or playing some sports or going in the pool before dinner. Breakfast, lunch and dinner had good food sometimes
and sometimes not so good. Right after we finished breakfast, lunch and dinner they measured our food waste which by the way, was a total count during the week of 209 kg. Over the 5 days the Pelicans did many more activities like the beach challenge, water tobogganing, body boarding and surf awareness and many more. On the last day everyone was kind of sad but happy to see their family again and go home and relax and take a rest after the 5 days at camp. Overall, everyone enjoyed the camp and if you have a Year 5 that is going to Year 6 next year I recommend Camp Tallebudgera for your child/yourself.

James E - 7H

On Monday the 13th of October the Year Sixes and Sevens went to Tallebudgera Camp. We learnt about the environment, how to be safe in the surf, sustainability and food waste. Along the way we faced some challenges; some new things. For some people it was their first time tobogganing and tubing or body boarding and body surfing. For some it was the sailing and for others it was the tandem bikes and circus acts, but we used the Five Keys and the Four C’s to face our challenges. We made some new friends and learnt on the way about persistence, resilience, organisation, getting along and confidence. We used these to try new activities and new foods. We had to be persistent to complete challenges and we had to be resilient to bounce back from our mistakes. We also had to be organised to get to activities on time. Confidence was a big thing! We all encouraged each other to try new things and build up each other’s confidence. The main thing was getting along. Most of the activities were team activities. We learnt to get along with people we would not usually have anything to do with. We lived, learned and breathed by the Four C’s: common sense, consideration, co-operation and courtesy. These Four C’s assisted us during this journey. We learnt a lot at camp. We learnt about the Yugambeh people and their culture. We learnt about food waste and how to stop having so much. We actually weighed the amount of food thrown out at the end of each meal. We learnt what to do if we are caught in a rip and most of all we learnt about ourselves and that we need to believe in ourselves, be organised, be persistent and resilient and to get along with others. Year Sixes and Sevens survived a week without parents but that could not have happened if we were not persistent, organised, confident, resilient and getting along with others.

At Tallebudgera Camp on the Gold Coast, Year 7 did so many fun things. We did water tobogganing, body boarding, sailing, beach challenges, tandem bike riding and the Burleigh Mountain walk. When we got to Tallebudgera, we were told of Camp Tallebudgera’s expectations, how to be sustainable in the school grounds and in the beach environment. After that the teachers put us in our cabins that held seven people. There were three bunk beds and one single bed. When we heard the music, it meant we had to go to the assembly hall. There we got into groups that the teachers chose. There were five groups and they were the Pelicans, Muddies, Mantas, Seagulls and Sharks. The Shark’s first activity was riding tandem bikes around an obstacle course. Thirty minutes later we swapped over to circus activities where we did juggling and many more tricks. That was just the start……now you see how much fun the camp was and I totally recommend Tallebudgera for camps.

Alex K -7H

“Tallebudgera will always be in their hearts and memories.” - 6ML

High excitement hovered over the camp as Year 6 and 7 Jindalee students were herded into a transit area in preparation for the five day experience. Instructors poured in, as if on cue, and tried to control the endless delight that was being expressed. Impossible!

Cabins were picked for groups of seven and four students. The students ran to their new cabins. These were to be inspected every day from then on, but the students would worry about that later.

Every day, two day activities and a night activity were chosen for the students to enjoy. Much to their delight, the busy schedule included sailing, body boarding, tobogganing, the circus arts, Burleigh Mountain walk, beach challenge, tally challenge and surf awareness. The night activities included a movie night, ‘Don’t forget the lyrics’ night, a science show and a dance rotation in which some of the teachers showed us some memorable dancing.

Tallebudgera was very aware of food waste. After every delicious meal was served, the meal waste was measured and recorded. Brave teachers soldiered into the bin contents with ongoing enthusiasm, to discover which part of the meal was being thrown away.

Cabin inspections were definitely something to be remembered. Teachers enforced the rule - TLC (Tender, Loving Care) - so during cabin inspection, the students wasted no time getting down on their knees to grovel at the teachers’ feet!

At week’s end many slouching, sad and exhausted students walked out to return home by bus. Disappointed to leave, they
waved goodbye to that delicious cake they were given … oh, and to some of the camp teachers too.

Tallebudgera will always be in their hearts and memories. Their last primary school camp slowly faded on the horizon, as the bus rumbled its way back home.

Amy and Isabelle Lightbody - 6MI

““The absolute best experience!”” – 6WH

Camp Tallebudgera was like a school but more exciting. Camp helped me to take care of my things and to take care about the environment. By following the 4C’s - Courtesy, Co-operation, Consideration and Common Sense, the school helped me get along with teachers, staff and other students at camp. They taught me organisation, resilience and persistence. There were so many activities that used the 4C’s and the 5 keys. The food at Tallebudgera was OK but lunch was best. I would like to go back to Tallebudgera Beach School again.

Rieley Bloor -6WH

Tallebudgera Beach School values the 4C’s, Consideration, Co-operation, Courtesy and Common Sense. My best experience at Camp Tallebudgera was tobogganing, which was a really fun experience I shared with Shaina and Elese. Another was the Burleigh Mountain Walk which showed how much they care about the environment and try to protect it. The Tallebudgera staff picked two students as Waste Warriors, to weigh food waste. We tried to waste less than the average food wastage. They have a saying on the walls “ENOUGH FOR ALL, FOREVER”, showing how much they care about the environment and preserving it, as I have learned to do from them. I also enjoyed doing the Beach Challenges which focused on co-operation and teamwork. Everyone encouraged each other. That was the absolute best experience, when everyone co-operated.

Patricia Law - 6WH

At camp there were so many great activities. My favourite was tobogganing. We learnt a lot about the environment and food waste. We had 2 waste warriors who measured our food waste after every meal. After our activities at 4:00, we had recreation hour. It was so much fun to have an hour to go swimming, play on the basketball courts or stay in your cabin. Tallebudgera Beach School was the best camp.

Talyssa Gourley - 6WH

Tallebudgera Beach School was so fun. Most of the activities were water activities, but all of the activities were really fun. We had recreation time which was free time at 4:00, Morning activities, and two other activities each day meant everyone was busy. By Thursday everyone was really tired but it was still fun!!!

Elizabeth Gerke - 6WH

Tallebudgera Beach School was a great experience for me. Tallebudgera follows and respects the 4Cs, which are courtesy, co-operation, consideration and common sense, Tallebudgera is full of fun and exciting activities that involve a valuable lesson about yourself and your abilities to overcome your fears. Tobogganing was my favourite. It was wild! Every night we would play fun activities that I, myself, loved. In the morning we went for a lovely walk on the beach. I loved Tallebudgera and I’m sure the others did to.

Isabella Mould - 6WH

At camp I enjoyed all the activities but I really liked tobogganing because I’ve never done it before. The food was Ok, but lunch was the best. I made some friends and fun times with teachers. This camp is so much fun I didn’t want to leave.

Waynnie Tang - 6WH

Camp Tallebudgera was a fantastic experience. Camp helped me be responsible for my things and also have fun. By following the 4Cs – Courtesy, Co-operation, Consideration and Common Sense, I would never be in trouble. The beach challenges helped me with teamwork and to co-operate with people I didn’t know. The activities helped me get along with the teachers more. All of the activities were things I haven’t done, which was a challenge for me. Some of the activities were sailing, body boarding and more. Overall my experience was outstanding.

Chantal Peuker - 6WH

For the third game the weather turned nasty. It was raining heavily and it was very windy which made things interesting. At full time it was a draw 2-2. This meant that we had to play a drop off. This is where the game continues for 2 minutes with only 5 players from each team on the field. Usually there is 6 players on the field from each team. Every two minutes another player drops off so each team is down to 4 players, then 3 players. This continues until someone scores. Our game continued until we had 3 on 3 playing full field. Fatigue set in rather quickly and unfortunately we lost the drop off with NSW scoring in the corner. They simply had too much pace with water logged legs.

Our celebrations for winning the series continued at the presentation evening where I, being captain, was presented with the winner’s trophy for our team as well as each player receiving their State of Origin Series winning Medallions. The highlight of the series was being presented with the Player of the Series award which recognises the best player from each division during the series. I was very excited, shocked, thankful and proud to have received the award. I made a big commitment and sacrifice and I am grateful and very thankful to my family and friends for their support and for the opportunity to represent Queensland. I am a proud “QUEENSLANDER!!!!”

Jennine
Teacher 4G

P&C News

It has now been two months since our enormous “I Love a Sunburnt Country” fete! The numbers are still being crunched but it looks like our profit will be around $55k!! This will be our biggest ever and it isn’t possible without everyone’s help. Thank you so much to all involved, no matter how big or small your part was in the fete!

Mrs Jennine Gyemore – State of Origin Champion!

At the end of last term I competed in the Touch Football State of Origin Series at Kawana on the Sunshine Coast. I was selected to play for Queensland back in July following the State Championships which were held at Redlands. We trained hard as a team every weekend in preparation before we were to take on NSW on home soil. All the training and hard work was to prepare us for taking on the blues in a 3 game series. There were numerous divisions that were contested during the State of Origin Series with men’s, ladies and mixed in Under 20’s, Opens, over 30’s, over 35’s, over 40’s, over 45’s, over 50’s, over 55’s. I played in the women’s over 40 division where I was also named as captain. We defeated NSW in game one 6-1 and game two 3-2. We were extremely pleased because this meant we had won the series by the end of game 2. We really wanted to win the 3rd game to make it a clean sweep.

Planning will soon begin for the P&C Games Night which will happen in March 2015. Two of our wonderful committee members have moved away so we are looking for more fun people to fill their shoes. If you have an interest in helping to organise this awesome night for JSS parents and the community please contact Kara: kjarnes@fresheyesqld.com

No previous experience is necessary!
Quickbeds Grassroots Fundraising Program

REMEMBER: if you are booking accommodation for an upcoming holiday or trip away, book it through Quickbeds, and you will help raise funds for our P&C.

Uniform Shop - Year 6 Polos

It is a tradition at Jindalee State School that the senior students wear a distinctive Polo for their final year at the school. Orders forms for these polos have been distributed to all Year 5 Classes and should be returned to the Uniform Shop or Office with the appropriate cash/cheque by Friday 21 November 2015. Orders can be received at the Uniform Shop during opening hours using Eftpos.

Sample polos are with the Year 5 teachers and each student should take the time to try on a sample to ensure they order the correct size. After delivery polos CANNOT be exchanged for a different size so please make sure the correct size is entered on the order form.

Uniform Shop normal opening hours are…

Tuesday 8.30 to 9.30am,
FIRST Wednesday of each month 4.30 to 5.30pm, all other Wednesdays 2.30 to 3.30pm.
Shop Phone 37255715

Tuckshop Roster

Getting to Know ... Terri Henjak - Teacher, Year 1

I grew up in Sydney. We moved to Brisbane in 1994.

My favourite childhood memory is playing with my three sisters and going away camping.

Before Jindalee State School I taught at Forest Lake. I also taught in NSW and ACT before that.

My friends and family would describe me as caring, easy going and kind.

Something that I am really proud of is my husband and two boys.

The best book that I have read was Dead Poet Society

My all-time favourite movie is Dead Poet Society

At the weekend, I love to garden and potter around my house.

People don’t know this but I sang at the Sydney Opera House when I was 10.

Uniform Shop Convenor

- Casual
- 10hrs minimum per week
- Park Ridge Location

Park Ridge State High School seeks a proactive uniform shop convenor. Retail experience with POS system knowledge would be an advantage. As you will be working with school age children, blue card will be required but can be applied for if successfully appointed. More information can be sought from school reception, Lancewood Street Park Ridge or on request by emailing prshspandc@outlook.com.au. Applications close 7th November. Successful applicants will be contacted for interviews from 13th November.

Indoor Table Top Sale
Jindalee Bowls Club

The Jindalee Bowls Club is having an Indoor Table Top sale. There are over 30 stalls, including toys, books, homemade cakes and slices, a sausage sizzle and bric-a-brac. You can sell your unwanted items, make some money or come and pick up a bargain. A table costs $15 and it runs from 10am - 3pm.

To book a table, please email - jbcbar@hotmail.com.
