New P&C Executive

We would like to introduce the new members of the P&C Executive Committee for 2013. Congratulations and thank you to the following parents:

President: Ben Marczyk
Vice Presidents: Kara-Leigh James and Ryan Loveday
Treasurer: Cate Hottot
Assistant Treasurer: To be confirmed
Secretary: To be confirmed
Assistant Secretary: Clodie West

We still require and would welcome nominations for the role of Secretary and Assistant Treasurer. These roles require about 1-2 hours per week at most and are very supported by an experienced committee. No experience is necessary and you are welcome to contact any member of the executive committee to express your interest.

Finally, we are also looking for people who are unable to commit to the P&C but would like to help out with tasks such as staffing a BBQ and/or cleaning up after events. The P&C is keen to maintain a file of names of people they could call on. You can contact the P&C via email pandc@jindaleess.eq.edu.au

Parent Information Night - Tonight

Dear Parents

You are invited to attend a BYOD Parent Information Night. A BYOD (Bring Your Own Device) Program is one that provides students with the opportunity to bring an electronic device (eg. iPad, laptop, tablet etc) to school daily to assist with their learning.

A BYOD Program is being considered at Jindalee State School for 2014 and the Parent Information Evening will give parents an understanding of what a BYOD Program entails.

The eLearning Vision of Jindalee State School is to be a leader in incorporating eLearning strategies to engage and empower all learners (teachers and students), preparing them to contribute confidently, effectively and innovatively within global communities.

Our successful 1-to-1 Laptop Program is in the fifth year of running and has contributed greatly to realising the Jindalee State School eLearning Vision. Additionally, all other classes in the school have access to ICTs via IWBs, iPads, Desktops and Computer Lab time.

A BYOD Program has significant potential that can lead to deep student engagement and rich learning. The model for BYOD has not yet been finalised and we wish for parents, staff and students to have the opportunity to provide us with their thoughts on a BYOD Program at Jindalee State School. BYOD may encompass all year levels in the school from P-7.

All parents are invited to attend. Additionally surveys are available for parents and students to complete and provide their comments on a potential BYOD Program.

Harmony Day

Thank you to the many students who wore orange shirts to help the school celebrate Harmony Day. At the school assemblies, the student leaders presented what Harmony Day means to them. They explained that Harmony Day is a day for celebrating Australia’s rich cultural diversity. It is all about uniting and forgetting all about our differences. Thank you to the Year 3 Choir and Senior Performance Groups who performed at the assemblies and lead the singing of “I am Australian”.

The BYOD Parent Information Night is tonight:

Wednesday, 20 March 2013
at 7:30pm in the Kirinari Meeting Rooms
Update from Acting Principal, Matthew Heard

Our principal, Michael Polities, is unwell at the moment and has received medical advice to take things easy until the end of Term 2 or towards the end of next week, with his doctor’s approval.

Our other Deputy Principal, Kim Tvede, is in an acting principal role at Serviceton South State School. That position is likely to continue throughout Term 2, although it is yet to be confirmed.

Earlier this term, Education Queensland offered redundancy packages to all primary teachers and principals throughout the state, subject to certain conditions. I applied for one of these offers and am expecting to have it confirmed in the next few days. This means that my time at Jindalee would conclude at the end of Term 1. Obviously, there will be some changes occurring in the Admin Team in the near future. All present positions will remain in place with any vacancies being filled by Education Queensland at their discretion. I will keep you informed of any developments.

2013 National Young Leaders’ Day
On Wednesday, 27 March, our Year 7 leaders will be attending a special conference day for young leaders at the Brisbane Convention Centre. The day is designed to build up the students’ leadership skills and provide them with inspiration and confidence to provide leadership at the school. The presenters this year include:

- Rueben Meerman, a scientist, presenter and author
- Kay McGrath, journalist and Channel 7 news presenter
- Paul Hockey, a record-breaking Mt Everest explorer
- Creel Price, founder of Kidpreneur.

The students will be accompanied by Mrs Caroline Duffus and Chaplain, Joshua Green. We look forward to having the students share what they learn with the school.

School Dental Service
Registration forms to participate in the free dental care program have now been issued to all children at Jindalee State School. Upon return of the registration form, an additional Medical/Consent form will be issued. If consent is received, your child will visit the clinic in class groups to receive a dental examination and, if necessary, x-rays and teeth cleaning. If further treatment is required, you will be notified. All additional appointments will be offered during school hours at Jindalee School Dental Clinic and will require a parent/guardian to attend with their child. If your child has not brought home a form, please see the dental clinic or school office for spare forms. For any further information, please telephone 3249 1168.

School Banking Notices
• Please note that there will be no school banking in the last week of Term 1.
• School banking will resume on Thursday 18th April.
• A new reward item, a Dollarmite torch with caps, will be available in Term 2.

SACP Committee
Following the AGM, we have managed to form a strong committee this year, boasting two vice-presidents! The Committee now comprises of Ben Marczyk (President), Angela & Lee Hann (Vice-Presidents), Julie Beal (Treasurer) and Louisa Gordon (Secretary). Thanks to those who attended the meeting and to Craig Mill and Michelle Patterson for all of their efforts in the past years.

Vacation Care Program Available
The school holidays are starting at the end of next week. We have a couple of great programs planned and have also made a couple of changes. With the change to the age of our children which would normally use the Grade 6 - 10 Program, we have decided to implement a 'Grade 5 & Up' Program instead. This also means that the other Program only includes Prep - Grade 4. Enrolment and permission forms can be obtained from the hall or please request online. The Programs are on pages 10 and 11 of the Newsletter.

P&C News
Amenities Update – can you help??
Thank you again to the fantastic JSS After School Care program and P&C who funded $20,000 and $10,000 respectively towards the playground on the oval. The balance of $30,000 was from Community Gambling Benefit Fund Grant.

At the meeting last night, it was approved to fund landscaping of the area outside the Admin building up to $5,000, including removal of trees which are causing issues. We have purchased 4 large marquees 6m x 3m for sports days and other events at the school and a new BBQ at a total cost of $8,300. We have collated the results of the survey sent out at the end of last year, creating a new WISH LIST.

So now we can get back to spending some of your hard earned fund-raising money on projects you have helped identify to improve our school. Top of the list seems to be improving the smelly toilets. The only thing preventing us from improving this facility is manpower to get quotes.

If you are one of the many parents who voted this as number 1 priority, please contact us if you have time to get quotes for professional cleaning on these facilities. You can text me on 0421 160 075 or email Kara James kjames@fresheyesqld.com the P&C Vice President.

P&C Movie Night
This Saturday, 23 March
Bring your blankets, pillows and chairs and come along and enjoy a movie night on the oval! Entry to the movie is free. You are welcome to bring a picnic and there will also be a sausage sizzle, coffee, ice-cream, fairy floss, slushies and popcorn to purchase on the night.

The night will start at 5:00pm with the sausage sizzle and other outside stall holders serving food. The movie, The Pirates! Band of Misfits, will commence at 6:30pm. ‘Like’ our Jindalee State School P&C Facebook page to be kept up to date.

Volunteers are required for the sausage sizzle (both cooking and serving) and to sell cold drinks. If you are able to help out, please email Kara: kjames@fresheyesqld.com This will be a wonderful opportunity to meet some new people. Come along and enjoy the fun! JSS P&C
