What an exciting two days of sports action when our years 1–7 children participated in the annual cross country races. This is an event that includes nearly everyone and it was great to see so many children trying their hardest to make it to the finish. Children feel a sense of fulfilment in just completing this race.

The individual placegetters are mentioned below but our congratulations go to everyone who ran. Although it is a competitive event, we believe that it is important for children primarily to see sport and recreation as something you do to stay fit and healthy. Thanks to Bray Miller for another successful carnival.

The final House points over the two days were:

- **Hogan**: 630
- **Gould**: 595
- **Cuthbert**: 522
- **Elliott**: 482

Children who have come in the top three places for 9, 10, 11, 12 and 13 year olds will represent Jindalee School at the District Cross Country Championships on 2 May at Toowong Memorial Park.

Keep a watch on our school these holidays

Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch on 13 17 88. By keeping an eye out we can work together to create a safer school community and help to reduce vandalism, theft and arson in our school.

If you see something suspicious, please don’t intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.
International Competitions
Each year Jindalee State School participates in the International Competitions Program conducted by the University of New South Wales. The six competitions are:

- Computer Skills 21 May
- Science 5 June
- Writing 17 June
- Spelling 18 June
- English 31 July
- Mathematics 13 August

Parents of children in years 3-7 who wish their children to participate, should complete the registration form on Page 12 of this newsletter. Registrations need to be returned by Friday, 19 April.

This year, we have decided to enter some classes in the Computer Skills competition which will be paid for by the school. Those classes will be monitored over time to measure their ICT gain. Parents of the following classes do not need to register or pay for their children in the Computer Skills Competition:

4MI 4G 5H 5W
6K 6G 7H 7DB

All other nominations should be completed on the Registration Form on page 12.

BYOD Program
A BYOD Program is being considered at Jindalee State School for 2014 and beyond. A BYOD (Bring Your Own Device) Program is one that provides students with the opportunity to bring an electronic device (e.g. iPad, laptop, tablet etc) to school daily to assist with their learning. A BYOD Program has significant potential that can lead to deep student engagement and rich learning. The model for BYOD has not yet been finalised and we wish for parents, staff and students to have the opportunity to provide us with their thoughts on a BYOD Program at Jindalee State School. BYOD may encompass all year levels in the school from P-7.

All parents and students are invited to complete and provide their comments on a potential BYOD Program. The link to the parent survey is:
https://www.surveymonkey.com/s/52B9NMM
The link to the student survey is:
https://www.surveymonkey.com/s/52TKQ26

Additionally, if any parents wish to be part of a BYOD Consultative Committee, please contact Georgina Allardice at gaila7@eq.edu.au or phone the school on 3725 5777.

Basketball Selections
Congratulations to the following students who have been selected in the Akuna District Basketball Teams:

Reminder: If your child has not brought home a form, please see the dental clinic or school office for spare forms. For information, telephone 3249 1168

U2B Project
Jindalee State School currently has 36 Year 5 students participating in an Education Queensland Project called U2B. This project involves students from across the State who have been identified from their Year 3 NAPLAN results as having the potential to make significant improvement in the area of Mathematics with some extra support. The aim of the project is to move these students into the Upper 2 Bands (U2B) of NAPLAN maths outcomes. The program also aims to develop the students’ critical and creative thinking skills, personal and social capability skills and ICT skills.

Every week, our identified Year 5 students participate in online Maths web conference sessions, with an experienced teacher, who is helping the students to develop their maths problem solving skills. The students complete online homework tasks during the week, and all the students are developing greater confidence in their mathematical abilities. The students are supervised by either Mrs Leisa Cave or Mrs Caroline Duffus when they log into their weekly sessions online. Parents are encouraged to become involved and support the students as they complete their weekly homework tasks online.

WiseOnes ®-- Moving Clever To Wise
Coming up in Term 2 …. HOW TO … MIND YOUR MONEY

Is money for saving or spending? How do credit cards work? In this unit, we learn about Budgeting, Savings, the power of Compound Interest, the Share Market, how to establish a Share Watch and use the newspapers to check your shares!

Learn to understand credit. Classify what we buy at the supermarket, and look at the total spending of a typical family and its purchases.
We use plays and drama in this Math Unit!!

More information and an application form are available from the office for any parents interested in enrolling their child in the WiseOnes program.

Teach your child to dial Triple Zero
The Queensland Ambulance Service is encouraging parents and caregivers to teach their children how to become potential lifesavers by practising calling Triple Zero (000) with a disconnected or toy phone, or by playing an online training game at - http://kids.triplezero.gov.au/.

When calling Triple Zero and requesting an ambulance, an emergency medical dispatcher will provide advice and dispatch medical help to your location.

For this reason, it’s also important for families to familiarise themselves with their holiday surroundings by memorising holiday addresses and beach access codes, so they can relay the correct information to Triple Zero staff. More information can be found at - http://www.ambulance.qld.gov.au/default.asp

FUNKY FAIRYTALES
By Glenda Hogg & Lynn Martin

Cindy, a modern Cinderella, is desperate to meet
the man of her dreams. Her Prince Charming is a rock
star named Guy Prince. Will Cindy get to meet him at
his after-show party? Would Guy Prince be interested
in Cindy when she is not really cold... ah... chilly... ah... cool?

The Three Little Pigs are modern-day slobs whose
mother despairs of them. She sends them out to 'get a
life' but perhaps the salesmen who come knocking at
their door will save their bacon.

Two great stories in one fabulous show. Lots of fun
and laughs for the whole family.

2013 INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS)

Dear Parents of Years 3 – 7 Students

Each year Jindalee School students participate in the ICAS program conducted by the University of New South Wales. If you would like to register your child for one or more competitions, please complete and return the form below.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are an excellent preparation for National tests and the student report is useful for highlighting your child’s strengths and weaknesses. The UNSW certificate and individual student report are also suitable for your child to include in a portfolio.

High quality UNSW certificates are awarded for each year level as follows:
- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.
