Jindalee State School is celebrating **Chappy Week**. The week, May 19th-26th, is national Chappy Week in schools all across Australia. Chappy Week is an annual event run by Scripture Union QLD to raise awareness and to obtain additional funding to support school chaplains. To celebrate Chappy Week at Jindalee, our new school chaplain, Joshua Green, is being officially commissioned at the school assembly today at 2:30pm. Parents and other members of our school community are very welcome to attend and your support would be greatly appreciated.

Before being appointed chaplain at Jindalee, Joshua worked at Coles Middle Park as a supervisor, starting in late 2011. He may have even served a few Jindalee families while working there! During 2012 he was studying as well as working and completed a Certificate IV in Youth Work through Scripture Union QLD and is now completing a Diploma of Youth Work with SU this year.

Joshua loves sport. He plays club cricket and also enjoys playing football, squash and beach volleyball. He is also an avid music fan and plays a variety of instruments. When he was in school, he played music in the school bands, as well as choir groups. Currently he co-runs youth programs at Centenary Uniting Church with the Youth Minister (Josie Nottle). These programs include Priority 1 (for kids in grades 6 and 7) and Youth Group (for kids in grades 8-12). He also volunteers with youth programs at other local churches.

What does Chaplaincy look like here at Jindalee? The Chaplaincy Service provides spiritual, ethical and personal support to school communities. The Chaplain is a safe person for young people to connect with at school and build positive relationships. Chaplains also support staff and families from the wider school community. Working with other members of the school’s support team, the Chaplain cares for students struggling with emotional, physical, and mental barriers. The Chaplaincy Service is supported by local churches, businesses and community organisations which provide a network of local support and assistance. The Chaplain also runs positive, fun activities for students and assists in fostering supportive, caring school communities. The Chaplaincy Service is available to everyone in the school community regardless of their religious beliefs.

Here are some Facts and Myths about Chaplaincy that you might not have known!

**Facts:**
- 740 Queensland schools have a ‘chappy’. 54% of primary schools and 371,000 students have access to a chappy. Almost 75% of students have their own chappy.

**Myths:**
- Religious Education is a role of school chaplains. No, Chaplains are there to serve spiritual needs, not impose religious beliefs. Chaplains are not imposed on schools - they voluntarily take part in the program. Chaplains are not counsellors – they provide ongoing support to students and refer onto other support services when appropriate.

Involvement with the Chaplain is entirely voluntary and students choose whether or not they want to be a part of the activities that are offered. Parents will be consulted if their child wishes to be involved in ongoing one-to-one meetings with the Chaplain or in any program or group involving spiritual or ethical content. Parents have the right to refuse permission for their child to be involved in any Chaplaincy activity or event.

If you wish to contact Joshua at Jindalee, he is at the school Mondays, Wednesdays and Thursdays. You can also contact him via email: jgree605@eq.edu.au or via mobile: 0421 663 775 or book an appointment through the administration office.
School Pick-up Zone
Jindalee State School has two pick-up areas, one in Burrendah Road and one in Wongaburra Street. Parents may park their vehicles in the designated parking areas for up to fifteen minutes, and walk to the school to collect children except in the ‘Green Zone’ in Burrendah Road. This is a two-minute pick-up zone only. Drivers must remain with their vehicles at all times when they are in this zone and move forward in the zone as the vehicle in front moves forward or exits the zone.

In recent days, there have been a number of incidents where drivers have parked in the zone, left their vehicles and obstructed the flow of traffic, creating serious dangers for our students and other road users. In other instances, drivers have over-stayed the two minute waiting by long periods. This also interferes with the flow of vehicles and creates traffic problems further along Burrendah Road.

For the system to work properly, it requires everyone to follow the Jindalee Way. Be courteous and considerate of others, cooperate with staff who are helping manage the safety of students and be cooperative with other road users. Talk with your children and make it clear to them that they are to be at the green zone at a designated pick-up time. If you can wait till after 3:15pm, there will be lighter traffic and you will collect your children much quicker and easier. Have your children walk a short distance from the school and pick them up away from the heavy traffic areas. They can often do this without crossing the road. It is only through the cooperation of everyone that we will be able to manage this situation effectively. Please consider what you can do!

School Uniforms
Jindalee State School has a uniform dress code. It is a requirement that all students attending the school abide by this dress code. It is parents’ responsibility to provide their children with the correct school uniform and present them in clean and appropriate clothing each day. Exceptions to the school uniform policy can be granted only by the prior approval of the principal. If parents are facing difficulties meeting the policy, they should discuss their concern at enrolment or contact the principal to discuss the matter at a later time. It can be distressful for children to attend school in non-uniform clothing and have to explain why they are not wearing their school uniform. In emergent cases, the school has some uniform clothing which may be borrowed for a short time.

Jindalee Year 6 and 7 2014
Are your children in the current year 5 and 6 classes at Jindalee? Next year sees an historic event occurring all over Queensland – both year 6 and 7 leaving for high school in the same year. In order to prepare for this transition, we would appreciate if you would complete the Parent Survey (one question at present) to help us. The link to the survey is - https://www.surveymonkey.com/s/CRP5V7F and it is also available on the school website. Thank you for your assistance.

Horse Painting
Recently, Jindalee State School was invited to participate in the Brisbane Racing Carnival Painting Competition. The students of years 6 and 7 took their time to paint a large white horse. It was decorated with several images relating to the past and present. The school received $500 for school resources. Congratulations to all those who participated in the painting and presentation.

Walk Safely to School Day - 24 May
The Active School Travel Committee invites you to join us for Walk Safely to School Day on Friday, 24 May. If you live too far from school, consider parking some distance away and walking. Participating students will receive official “Walk Safely to School Day” stickers at the various entry points to school. If parents are too busy to walk, students are invited to walk to school along Burrendah Road from opposite the Mankinna Street intersection. Our local adopt-a-cop, Snr. Constable Ben Harm, and AST committee members will walk with the students. A sign and police car will mark the drop off point. Parents can drop off their children between 8:15 and 8:30am and collect them in the afternoon between 3:20 and 3:30pm. In the afternoon, students for the walk back from school will meet in front of the Tuckshop. Avoiding congestion around the school in the afternoon is also part of the plan. Please see poster on Page 8.

2013 ‘Under the Sea’ Fete

I’ve had lots of great feedback about this year’s logo!

A very big thank you to Natalie Walker and Stacey Ide for taking on the Cake and Sweets stall. We can once again look forward to amazing creations for the Cake Stall competition this year! Joanna and Colin Gibbs have been so helpful in taking on the sausage sizzle at the end of the oval. Michelle Politi and Erin Godfrey are going to be co-convenors of the coffee shop. Thank you to everyone who has volunteered in a convening role!

As you can see below, we still have 6 stall convenors, an Entertainment Convenor and a Site Convenor to find. These are all very important positions but the Fete cannot go ahead without a Site Convenor. This person organises all the hire equipment and sets up the marquees, including the big BBQ tent! If you can help please email kjames@fresheyesqld.com – Thanks, Kara.
