Jindalee State School students participated in the Primary Schools Chess Championships held at South Brisbane at the end of May. Thirteen students represented us at the chess competition which involved our students competing in the beginners and novice division against other students from both state and private primary schools from across the Metropolitan region. Chess is based on medieval battle strategies and is a game of skill where the aim is to out-manoeuvre your opponent to capture their king or force their surrender.

The Jindalee community is extremely proud of the efforts by our students at this event. The sportsmanship they demonstrated was outstanding and the level of collaboration with each other and the team was a credit to them. Our teams competed extremely well and confirmed our school’s high level of commitment and sportsmanship. All teams were very competitive and demonstrated keen strategies and skills in this highly competitive competition. Two of our teams came first in their division which is an outstanding effort against the best competition in Brisbane.

Congratulations to the following team members who represented Jindalee State School:

**Beginners** - Joint 1st position medal
Dudley Ratcliffe, Evan Fraser, Siddesh Karekal and Luka King.

**Novice** - Joint 1st position medal
Daniel Fraser, William Du, Austin Prentice and Gaviru Devendra.

Information on how to play chess can be found at [http://www.chess.com/learn-how-to-play-chess](http://www.chess.com/learn-how-to-play-chess)

**Jindalympics**
Our school athletics carnivals will be held on Tuesday and Wednesday of next week, 18-19 June. With the assistance of former Olympian, Natalie Cook, a member of our school community, the athletics carnivals this year will take on an Olympics theme.

Our sport teacher, Mr Miller, has called them the “Jindalympics” and will include Olympic style rings at the presentation ceremony, flags of all of the nations that are represented by our school community, a parade of athletes prior to the sports and an Olympic style opening. The two days promise to be exciting events played in the true spirit of Olympic cooperation. All members of our school community are invited to attend and participate in this first ever Jindalympics.

**School Assembly**
The school assembly next week will be held on Thursday at 2:15pm in the school hall. The change has come about due to the school sports being held on Wednesday. This is the final assembly for the term and it will be a whole school assembly with all students from years Prep to Seven attending. As usual parents and community members are invited to attend.

**End of semester**
Next week is the final week of semester one of the school year. Student report cards will be issued during the week and parents may make appointments with teachers if they wish to discuss any aspect of the report. Normal parent teacher interviews are usually held at the end of terms one and three.

School will close for the winter vacation on Friday, 21 June and will reopen on Monday 8 July.

Please note, there is no pupil free day at the beginning of term three.
School Disco
This Friday 14 June is the school disco. There are two sessions. Year P-3 disco is from 5:00-6:00pm and years 4-7 from 6:30-8:00pm. All students must be brought to the disco and picked up by a responsible adult. Students will not be permitted to walk home afterwards. The disco is open to Jindalee State School students and parents only. Cost of admission is $2.00 and refreshments will be on sale.

If you are able to assist please contact the school office or see Mrs Louise Whittering on the night. All funds raised will go to assist the student council, school chaplain service and ACT for kids.

Thank you to the parents who have volunteered to help out on the night. Please report to Mrs Whittering at the front door when you arrive. We are still in need of parent volunteers. Any help would be much appreciated.

Walk to School Days
The Active School Travel Committee invites you to join them EVERY THURSDAY to walk to school. If you live too far from school, consider dropping your child off at our ‘dropping off’ point and picking your child up from the same area in the afternoon.

Students are invited to walk to school with our local adopt-a-cop, Snr. Constable Ben Harm, and members of the AST committee. Students will be walking along Burrendah Road from opposite the Mankinna Street intersection (same drop-off and pick-up area that we used for the Walk Safely to School Day). A sign will mark the drop off point.

Parents can drop their children here every Thursday between 8:15am and 8:30am and collect them in the afternoon between 3:20pm and 3:30pm. In the afternoon, students will meet in front of the tuckshop to walk back to the pick-up area. We are aiming to run these walk to school days to help avoid congestion around the school before and after school.

AT YOUR EARLIEST CONVENIENCE

The response for the call for convenors has been fantastic! Please note however we still need convenors for the following stalls:

- Cent Auction: You will need to wrap the Cent Auction prizes which will be organised through the sponsorship team. Chrisko has already been extremely generous in providing prizes for this stall.
- International Food: Traditionally this has been curries and nibbles but you are welcome to organise whatever food you like.
- Live Auction: Allocate time slots for the auctions and organise payments and collections on the day. Chrisko has already been extremely generous in providing prizes for this stall as well.
- Sideshow Alley
- Trash ‘n’ Treasure: Items are being taken to Storage Choice at Sumner Park. The convenor sorts through the container once a week. Goods will need to be transported to Prep M on the Friday afternoon prior to the fete. Left over items after the fete will need to be transported to charity shops or someone will need to collect them on the Sunday.

Please consider organising one of these. If you don’t want to do it on your own do it with a friend or two - it’s a lot more fun.

Handover notes are available for all roles and you can also chat with previous convenors.

If you are able to help out please read about the roles within this newsletter. You can also contact Kara kjames@fresheyesqld.com
