A Very Happy Chappy

Prep Information Night
The information session for parents of students beginning prep in 2014 will be held at the school tonight commencing at 7:00pm in Kirinari. The session will provide information about prep and the prep teaching and learning program, the enrolment and confirmation process, the school and the P&C as well as uniforms, resources and financial information. As Jindalee State School has the capacity for only 125 prep students each year, and preference of enrolment is given to students living in our school enrolment area, it is important that anyone intending to enrol at Jindalee has an enrolment application to the school as early as possible. Any delay makes the acceptance process more difficult and may result in students being denied enrolment. If you are unable to attend tonight and would still like to receive the information, please email info@jindaleess.eq.edu.au with “prep information” in the subject line and it will be emailed out to you.

Punctual Arrival Time
All students are expected to arrive at school between 8:30 and 8:45am. Students who arrive before this time are required to sit in a supervised area until 8:30am unless attending before school care. School commences at 8:50am and students arriving at school after this time will miss valuable learning time. It is very important that punctuality is stressed. Arriving late not only disadvantages the late comers, it also disrupts the learning of other students when the latecomer interrupts the class. Please ensure your child is at school by 8:30am or very shortly afterwards. Arriving just ten minutes late every day equates to missing almost two weeks of the school year.

School Banking - volunteers needed!
We need your help to allow our school to continue to offer the Dollarmites School Banking program. We need two volunteers (parents or grandparents) to join our existing team of School Banking Co-ordinators. This only takes a small amount of time one day a week and can be done at home any time of the day. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising. The Commonwealth Bank provides support to our School Banking Co-ordinators. This is a fun, simple and rewarding way to help out at our school, so jump on board and join our friendly team! Please indicate your interest via email to Karen at Karen@muirmail.com

Jindalee State School Chaplain, Joshua Green, was very happy on Monday night with the attendance of many of our families at the "Dinner with the Chaplain" night at Jindalee McDonald’s. The night was a great success not just for the funds raised for chaplaincy at our school but also because of the opportunity for a social get-together and the spirit of community that exists at Jindalee.

Mr Green said it was a chance for him to meet parents and to see our students in a setting different from the usual school day. “I was able to make contact with many people I had not met before and talk with them about the students and the pastoral aspects of our school.” The chaplain plays an important role in the lives of our community and is able to support students, parents and staff in their education and personal lives. It is the caring community that exists at Jindalee which is our greatest strength and people helping each other that makes our community stronger. “I wish to thank everyone for their attendance and support on Monday night and look forward to having dinner with you again in the future,” said Mr Green.

Landscaping
The landscaping of the entrance to the school on Burrendah Road is underway. Preparatory work commenced yesterday and will continue for the next few days. A burst water pipe caused some early delays but progress will be quick and the finished work will provide an attractive and functional entrance to our school. We will feature some photographs in next week’s newsletter.

Medications at school

If any students need to take either prescribed or over-the-counter medications, parents must follow the school guidelines which state:

- The parent/caregiver must make a written request to the Principal, i.e. send a letter to school accompanying the medication.
- The pharmacist or the doctor must write instructions on the medicine container.
- All medication is to be retained and administered at the Main Office, with the exception of Asthma Inhalers, which may be carried by students who self-administer (nb. a written request is still required for Asthma Inhalers). Exceptions are also made for Epi-pens of Prep students and SEP students, where they may be stored in the child’s prep room or SEU by arrangement. Generally, non-prescribed, over-the-counter medications should not be brought to school, but should your child require such medication, the above procedures must be followed. Under no circumstances should children self-administer any medication at school, with the exception of asthma inhalers. For further clarification, please refer to the Emergency First Aid, Medication and Immunisation guidelines available on the school website under the “Our School” tab, within the Rules and Policies section.

Message From The Chaplain

Can you believe we are three weeks into term 3 already? Last week I was at a Scripture Union intensive training week. It was a very intense week and I got to meet Chaplains from all around Queensland, but I have to say I’m very happy being back here at Jindalee! P1 is this Friday, the theme this week is Minute to Win It! Kids in year’s 6 & 7 can come and have fun to finish off the school week. The cost is only $3 (which includes supper), 5.30-7.00pm at Centenary Uniting Church. If you want to find out more about P1, just come and see me. There is not much happening in Chaplaincy this week so I thought I would leave you with a quote from Denis Waitley: “Happiness cannot be travelled to, owned, earned, or worn. It is the spiritual experience of living every minute with love, grace & gratitude”. Have a fantastic week and remember to stay safe! Joshua Green

WE HAVE A WEBSITE!

Exciting news: we now have a fete website! This will give us so much more opportunity to promote the fete and provide valuable information to the community, parents, convenors and contributors. Check it out...

jssfota.wordpress.com

This is the place where you will find information on each stall and convenor details. Entry forms for the cake stall will soon be downloadable and recipes can be found on the site now.

Closer to the fete you will also find the entertainment program and the downloadable map. Rosters will also be listed on each stall’s page for the times that they need volunteers.

This is also an excellent opportunity for us to further promote our wonderful sponsors. It is a such a value-add to their businesses with a page dedicated to the list of sponsors complete with links to their websites. Please stop by and have a look.

5 CONVENOR ROLES STILL TO FILL

We still have five convenors to find (see the table on page 4 of this newsletter).

We have such a fantastic team of convenors who have all given up their time and put in an enormous effort to make our fete so great.

Maybe you would like to join this fabulous team too? If you would please contact Kara by emailing: kjames@fresheyesqld.com or you can call 2979 3880 or 0410 681 025 outside business hours.

AN UPDATE FROM OUR CONVENORS

Fete Decorations

Fete decorations started last Thursday with a lunch time jellyfish-making session in the library. The children did such a great job that Mrs Alphonse decided to display them in the library. Pop down to see them all hanging at the end of the library counter; they look fantastic! For those who missed out on taking part, don’t worry. There will be plenty more lunchtime craft sessions coming up, so stay tuned!

Thank you to everyone who has been donating goods for the craft sessions. We now have so much bubble wrap we are having to think of new and innovative ways to use it! We also have enough cardboard tubes and plastic bottles now too, thank you. Materials that would still be helpful to have include:

- Sequins
- Tissue paper (used or new)
- Pipe cleaners
- Googly eyes

Bec Hollis

Ariel and Flounder’s Cakes and Sweets

The Great Bake-off is on again and we are calling for donations of cakes and sweets. There will be additional information supplied in a separate note. For recipes please see the fete website: jssfete.wordpress.com

Kylie Sutton

ART-ic Shelf

$115 is the record to beat!

Canvases have been delivered to each classroom and now it’s time to get creative with the Under the Sea theme! Transform your canvas into something wonderful to be displayed outside Prep H on fete day. Parents will try to out-bid each other throughout the day for the chance to take home one of these amazing artworks. Take completed canvases to the staffroom by Friday 23rd August please.

Liz Ferguson

Buccaneer’s Bounty and The Golden Palm

As we get closer to the fete, look out for Grocery Raffle and Money Tree ticket sheets which will be coming home with your oldest child at JSS. Tickets are still only $1.

Bikini Bottom Book Stall

Preparations for Sponge Bob’s Bikini Bottom Book Stall are going well but we still need lots more books especially adult’s and children’s fiction. Please drop off books, magazines, DVDs and CDs to 11 Trevi St, Jindalee (leave at any time out the front) or call me on 0423 061 614 to arrange pick up. A roster requesting help on fete day will be sent out soon. Please put your name down if you can spare an hour to help. Any assistance is much appreciated!

Kim Lyons

Electric Eel Auction

Convenor needed

This is a very easy thing to organise. Chiaoco and other businesses have already given us some wonderful prizes and now we just need someone to put it all together.

You are not required to call the auction.

International Food

Convenor needed

This could be something as simple as tacos. How easy would that be? If you are the convenor for this stall you don’t have to do curry or sushi, you could just do something really simple.

Jellyfish Jams

Jellyfish Jams are in full swing with jam and chutney making. We would appreciate donations of frozen berries, tomatoes, sugar (brown and white), jars and onions. If you would like to make some jam or chutney that would be greatly appreciated too. We will take donations of lemon butter and passionfruit butter 1-2 weeks out from the fete. Release your inner Maggie Beer!

Kirsten Knowlton

Little Mermaid Entertainment

Thank you to all the wonderful community groups who have volunteered to entertain us this year.

The Ritz Dance School, Elite School of Dance, Splitz Cheer Squad, The Silken Thomas Band, Rhee Tae Kwon Do and Monica’s Dance School. Radio DJ Campo has also said he will return to MC our amazing day.

Thank you also to James Kullis and Nikki Cox for helping organise our own wonderful kids with their class entertainment - Prep to Grade 7, Bands and Choirs.

There will be so much to see and do, come early and don’t miss a thing!

Kym Randerson
Coral Cave of Craft & Fishy Fotos
The craft team has been busily working and has produced great things. Many of the products are new so take a fresh look at the craft stall. Items will be listed on the website: jssfete.wordpress.com

Also check out Fishy Fotos: Photo Booth (part of the craft stall). It is a life size reef scene with props. Professional pics are taken of you amongst the scene.

Stef Bowler

Sea Shells Cent Auction
Convenor needed
We have Chrisco as a Silver Sponsor which is absolutely awesome but we still don't have a convenor for this stall. There are some very generous Brisbane and local businesses donating vouchers and items for our fabulous Cent Auction, but it doesn't really help that much if we don't have someone to run it. Kara is making the bows so the main thing that you will need to do is wrap the prizes (there are also other helpers for this) and organise volunteers. Cate Hottot convened this stall last year and is happy to give the new convenor hints and tips about what this is all about.

Octopus Spin (Chocolate Wheel)

Please bring in chocolate donations for the Chocolate Wheel to the SACP office.
Arlene Norfolk

Treasure Island (Trash ‘n’ Treasure)
Convenor needed
Thanks to the spring cleaning of homes in the Centenary Suburbs the Storage Choice shed has items in it, but no one to sort through it. A convenor is required to sort through the items once a week to make sure that things are saleable. All the goods then need to be transported to Prep M at school on the Friday afternoon before the fete. Please keep taking your unwanted items to Storage Choice at 50 Spine Street, Sumner Park.

Nemo’s Fish, Chips and Nuggets
The preparations for Nemo's Fish, Chips and Nuggets are relatively minimal. We plan to be serving from 11am until 8pm at this stage unless we're able to find someone who’s interested in taking over at 5pm. Come rain, hail or shine, we’ll be there selling piping hot food!

Vicki Drapper

Sideshow Alley
Convenor needed
We already have the Hoopla game run by Mr. McKinnon but would love to have some more so that the kids could have more fun.

There is a guide to games and prizes for sideshow alley on www.fetesandfestivals.com.au so check it out!
