Jindalee State School will celebrate its fiftieth anniversary in 2016 and in the lead up to that very important occasion we have had a preview of some of the remarkable past forty-seven years. During excavation for a new pathway to the administration building, builders unearthed the time capsule buried in 1988 and due to be opened at the fiftieth anniversary. Mr Hacker examined the capsule for damage and found it to be in good order and the contents still sealed. He has resealed the outer container and the capsule is to be reburied in an alternative location away from the new path where it will be the centre piece of the Fifty year celebrations.

During other renovations in the office this week, we have also uncovered school files dating back to the 1960’s and the beginnings of the school. Photographs, documents, newspapers and newsletters provide an absorbing insight into the history of our school and our local area. We have been able to see maps and diagrams of the building of the school and the development of the Centenary suburbs. Articles about the school population, when it had just over one hundred students to today’s 900+ students, are some of the stories discovered. It was also interesting to see the price of groceries and meat in the early 1970’s with steak selling at $0.78 cents per pound ($1.70 per kilo).

The files will also be archived and kept secure till the anniversary in three years’ time. Copies will be made and displayed for members of our community to see and remember their own association with our school or to learn from the past how we can shape the future.

As we move forward to 2016, we can already learn from the things that have gone before and turn that rich heritage into a vibrant future for our students. Our vision is to Create A Clever Future today and the lessons from our past will help us achieve that vision today.

National Science Week

The 2013 National Science Week from 10-18 August has as its theme ‘A Century of Australian Science’. Jindalee State School will celebrate Science Week with activities on Tuesday 13 August. Mary Heneghan, our deputy principal, will continue as the manager of all special education programs and services and will work closely with Alice to ensure that we are meeting the requirements of the department of education and our school’s strategic plan and improvement agenda. Parents of our SEP students should contact Alice or Mary to discuss any matters related to the education, welfare and development of their children.

CENT AUCTION CONVENOR PLEASE

The Cent Auction is still in need of a convenor. It is not a huge job. The main part of the role is to organise helpers on the day and to be there. Share the load with a friend and your helpers. We have people to help wrap prizes but we really need a convenor to oversee the proceedings.

So come on if you can possibly help out, please do. There must be someone out of the 650+ mums and dads that could take this on.

Please contact Kara as soon as possible if you can help out.

k.james@freeseyeqlq.com

Next convenor meeting is Thursday 8 August and will be held in the staffroom. See you there!

Ariel and Flounder’s Cakes and Sweets Stall
Don’t forget ‘The Great Jindalee Bake Off’ entry forms are due back by this Friday the 9th August.

If the week leading up to the Fete is going to be busy remember that some things are easily able to be made ahead of time and kept frozen.

This year our stall will be selling a yummy selection of chocolate coated marshmallow kebab sticks and lolly bags on Fete day!

A reminder to parents of classes PH and 2B that a roster sheet went home with your child last week asking parents if they would be able to spare an hour or two to help out on the cakes and sweets stall on set up (Friday 30th August) and Fete day. Any assistance would be greatly appreciated! Please let us know as soon as you can. Thanks.

Nat Walker, Stacey Ide & Kylie Sutton

Any donation of lemons, white sugar and eggs would be appreciated. Lemons that have a usable rind are the best for lemon butter. Keep those jams coming!

Fete Decorations
Last week’s lunchtime craft sessions included making paper plate fish which will be displayed around the school on the day of the fete. It was a joy to see the children’s creativity flow, and I would like to say a big thank you to all the students who have participated so far.

ENTRY FORM - CAKE STALL

“The Great Jindalee Bake Off”

We would love you to participate in “The Great Jindalee Bake Off” Cooking Competition.

The cake stall this year is **Ariel and Flounder’s Cakes and Sweets Stall** so we would like to encourage everyone to decorate their entries in the “underwater” Fete theme. Eg: Sea creatures, boats, submarines etc.

**How it works:**

- Every class has a cake or sweet allocated to it. (See over to back page).

- All the young cooks in your class are requested to make this special item (with Mum or Dad’s help). *(see no fail recipes on website www.jssfete.wordpress.com)*

- A cake box/tray for decorating along with further information will be distributed in a kit to all contestants the following week after the entry forms are in on the **16th of August**.

- Bring them to the school hall on Friday 30th of August from 2pm until 7pm for pricing and sorting. (No entries will be accepted Saturday morning).

- **Please note**: Entries are not tasted – judging is based on the decoration of the cake box or tray in the theme of the Fete.

**Simple ‘no fail’ recipes**

Simple, no fail recipes are available on the school website. Please indicate below if you do not have access to the internet and require a printed recipe. It is **not compulsory** to use the recipe provided, it is just there if you need it.

- **Class Winners** - the two best entries of each class win a prize!
- **Best In Show** prizes will be awarded to one boy and one girl from all entries.
- **Best Class Prize** - the class with the highest percentage entries wins a cake to share!!!!!!! *(‘baking must be received – not just the entries. The winning class is decided *after* Fete based on percentage)*
- Each participant (received entry) is entitled to an ice block from the Tuck Shop.

Cooking is lots of fun and everyone can have a go! We look forward to receiving your yummy creation! So roll up your sleeves and get cooking!
