**Principal’s News**

**Fete Hot! Hot! Hot!**

Saturday was certainly a ‘hot’ day in more ways than one. The thermometer hovered around thirty degrees for most of the afternoon to make it the hottest August Fete Day on record and the action around the fete made it a hot ticket item for the P&C. There was an amazing effort from many people and it contributed to another result. Estimates put the crowd at the largest in the last ten years, as people swarmed across the grounds and into the ‘pavilions’. Soft drinks and water were the most popular items of the day with several runs for extra supplies needed during the afternoon. The barbecue didn’t stop till well after the fireworks and most of the other food venues sold out. Sponsorship for the fete was up too with Denmac Ford donating $2000 after fifty people took their Ford Motor Cars for a test drive during the day. In addition Denmac has offered further donations to the P&C if car buyers mention they are from Jindalee State School. The rides were of course very popular and with more of them and extra variety this year, everyone was well catered for.

The work done by parents, staff and students was an essential element in the success of the event. Whether they were running stalls, doing collections, working on the barbecue and food stalls, soft drinks and side show, looking after lost children and comparer the program, staff and parents made this a great day. The class items were an enormous hit with a crowd of over 1000 people gathered on the hill during the afternoon to watch our students and staff entertain. Thank you to everyone who came along and put in the effort and to those who couldn’t be here on the day but were involved in the preparations. Your efforts are appreciated and valued. As our event compere said “Jindalee is a very large school and in large organisations people think that someone else will do the work. At Jindalee we have parents, staff and students who are dedicated to making sure our school is the best it can be and they turn up and do the hard work when it is needed. Thank you to everyone.”

Special thanks go to the Fete Convener Kara James and her team for the tremendous efforts they have made. Pulling a fete together is a complex job and cannot be achieved without the help of a team of people who can take care of their part of the plan. Kara’s leadership with the support of the P&C executive members has made this event a great success.

There is no official financial statement at this stage however preliminary indications are that the financial return to the P&C will be very close to 2012 when the P&C realised in excess of $50000 from the fete. A full fete report will be delivered at the next meeting on Monday 16 September.

**Naplan On-Line Trials**

Our year three, five and seven students will participate in online Naplan trials this week to provide information to the Australian Curriculum and Assessment Board about the national testing program. There is a proposal that the annual assessment in literacy and numeracy should adopt the online means of administering the test. It would make sense for Jindalee with more than half of our classes expected to be using technology in their learning next year and all classes to be technology based by 2016.

**Prep Enrolment Meetings**

Parents of students enrolling at prep at Jindalee in 2014 will be contacted in the next week regarding attending an enrolment interview. The interview will take 20-30 mins and will involve both parents and child. During the interview parents will be asked to complete a questionnaire about their child and the child will also complete a short assessment indicator with the help of the teacher. The remainder of the interview will involve sharing information.

Interviews will be conducted by members of the school admin team and will provide the school with information on which to ensure the appropriate placement and support for each child. Confirmation of an enrolment place will occur in late October. If you wish to enrol at Jindalee and have not already done so you should submit an enrolment application as soon as possible.

In Prep enrolment news, Education Queensland has increased our Prep enrolment capacity to now allow us to accept 150 enrolments. This is good news for parents in our district and means that all enrolment applications received this year will be able to be accepted.

**Outbreak of Chicken Pox**

Please be aware that there have been some confirmed cases of chicken pox throughout the school.
School Photos

School Photos are ready for viewing

Sports, Music and Extra Curricular photos are now available to be viewed and ordered at the Office.

The teams and groups are as follows: School Leaders, House Captains, Student Councillors, AFL, Basketball, Rugby League, Soccer, Cross Country, Junior and Senior Band, Marimba Band, Senior performance group, Tech Crew, Choirs, Senior, Junior and Beginner Strings, Netball, Touch, Softball, West Akuna District Swimming, Tournament of Minds and Athletics.

Photos are $18.00 each. You will need the correct cash or cheque made out to Advanced Life Photography. The school does not collect any money for these photos; it goes directly to Advanced Life. We are unable to do eftpos or credit card payments for these transactions.

The final day for viewing and ordering will be Wednesday 18 of September.

After that, any orders must be submitted directly to Advanced Life Photography along with an additional $10 fee.

Tournament of Minds

Fantastic effort by the Tournament of Minds teams

The two Jindalee Tournament of Minds teams performed on Saturday at Villanova College. The teams have spent this term and part of last term writing scripts and rehearsing their challenges. They have been using their lunch hours, before school and after school to work on their performances and the hard work paid off. Both teams executed their long term challenges perfectly.

We are so happy to let you know that the Social Sciences team, The Pugongs, received honours in their division at Brisbane Regional finals. The team will go on to represent Brisbane at the state finals in a couple of weeks.

Pippa and I are so incredibly proud of the students and the way they represented the school. They truly deserve the success they received.

Met West Regional Track and Field

Well done Harrison, Sam, Will and Ezraa

Great effort Isabelle, Libby, Maddy and Amy

Congratulations to our 24 students who recently competed in the Met West Regional Track and Field Trials.
Our Jindalee 11 Girls years 100x4 relay team came 2nd - Maddy Rogers, Libby Elms, Isabelle Lightbody, Amy Lightbody.

12yrs Boys 100 x 4 relay team 1st 9 - Ezraa Coulston, Harrison Green, Sam Lord, Will McCall

The following children will now compete in the Qld track and field trials on 15th and 16th October.

Kyra Coulston shot put 1st 9.67m, discus 3rd 25.95m
Jasmine Fleming Discus 2nd 22.39m, high jump 1st 1.21m
Ezraa Coulston 100m 1st 12.83, 200m 1st 25.69, long Jump 1st 5.18m, shot put 11.34m, Multi event 1st 1367 points which was a Met West record.

For full results of the meet go to http://www.metwestsport.qld.edu.au/Sports/TrackField.aspx

Thank you to our teachers who provided training for our children, Mrs Huntly, Miss Gilbert, Mr Martin and Mr Miller.

Chaplain

Message from the Chaplain

Jindalee State School is partnering with World Vision again this year to participate in the 40 Hour Famine. I am excited to run this event at the school this year. I have done the Famine many times before in the past with my local Church, each year giving up Food for 40 hours. It’s a tough thing to do, especially when all you want to do is eat! However, the reward of raising money for a good cause outweighs the hunger 10/4.

On Thursday the 19 September, which is the last Thursday of term 3, students and teachers participating in the Famine will go on a school day famine to help raise money for World Vision. I will be providing rice and juice during the lunch break for the students and teachers with a sausage sizzle after school at 3pm to celebrate making the school day without food! This event is open to teachers and students in years 4-7! Each participant will be given a donation book to raise money for the famine!

A special mention goes to Charlotte Krstevski who raised $50.30 in the first 24 hours of being a famine member! Well done, keep it up!

World Vision is giving away prizes for students who can raise a certain amount of money. If they raise $125 they will receive a $10 Timezone Voucher, if they raise $250 they will receive a free movie voucher, and if they manage to raise $500 they will receive a $30 iTunes Voucher. Those are some awesome prizes to aim for, so get out there, and get donations for the Famine! Have a great week and remember to stay safe!

Joshua Green

Banking

Looking for a School Banking Co-ordinator

Kaylene Ewer is no longer available to be our Banking Co-ordinator. If there is anyone who would like to take over this position, please contact Kaylene at safety@dundrum.com.au to discuss the details.

Vacation Care

The school holidays are less than three weeks away. The Vacation Care Program is now available from the FACP office, school website or weekend email. We have some great activities and excursions planed. Please ensure that you book early to avoid disappointment.
