## Jindalee State School Uniform Dress Code Policy

The Jindalee school community has a school dress code which requires all students to wear the school uniform. As well as readily identifying our students, the uniform assists students to build pride in themselves and their school. It is a requirement that all students comply with this Uniform and Dress Code Policy.

## **Jewellery**

Students may wear a wrist watch or medical bracelet if required. Students with pierced ears may wear sleepers or studs only. Students required to wear a religious or cultural symbol must first seek approval from the principal. These items if approved must be worn in an inconspicuous manner underneath the uniform. No rings or other jewellery is permitted to be worn.

## **Hair**

Hair must be naturally coloured and be kept clean, neat and tidy at all times. If hair is long it should be kept out of the students face and tied or plaited if longer than shoulder length. Ribbons, hair ties and bands must be plain and in school colours of blue and gold. Short hair must be evenly cut all over. No tracks, symbols or patterns are to be cut into hair.

## **Makeup**

Makeup including nail polish may not be worn at school. Sunscreen lotions are permitted provided they are white or clear.

## **Glasses**

Prescription glasses and sunglasses may be worn. They should have plain frames and colour. Parents are responsible for providing their child with the appropriate uniform and ensuring that it is worn correctly each day. This will ensure our school is able to maintain the standards our community expects as appropriate.

At Jindalee State School we wear our uniforms proudly and appropriately!

The Jindalee State School P&C runs a Uniform Shop to assist families with their uniform requirements.

Orders can be placed online via [www.quickcliq.com.au](http://www.quickcliq.com.au) - orders received by 8am on Tuesdays and Thursdays will be processed and will be given class teachers that day. As part of our COVID safe plan, the shop operates on an appointment system for fittings - **please do not come to the shop without an appointment.**

The Uniform Shop no longer accepts second hand uniforms for sale by consignment. We do however welcome donations of second hand uniforms and will ensure, as with all of our stock, any profit that is made, is channelled back into the school through various programs and projects. Second hand, old style uniforms will be on sale through the Uniform Shop until 1/4/2021 and can be worn at school until 10/12/21.
