Active School Travel initiatives include:
- weekly active travel days
- road safety skills
- bike and scooter skills training
- Park and Stride
- walking groups
- carpooling
- active travel maps
- public transport orientation
- inter-school events.

Active and healthy habits to reduce traffic congestion and contribute to better health:
- walk all or part of the way to school
- cycle with family and friends
- walk to the bus stop or train station
- carpool with friends
- ride your scooter or skateboard.

Travel in an active way – walk, ride, carpool or take public transport.

Active travel reduces congestion and improves road safety.

The Active School Travel program has been highly successful in the schools that have participated since 2004. This program uses a combination of skills training, information and motivation to encourage behavioural change.

Active Travel Map
Jindalee State School

It's all part of Council’s plan

Dedicated to a better Brisbane

DISCLAIMER: This guide gives a broad overview of facilities and services in your local area and is not intended to be exhaustive. The inclusion or exclusion of any service, facility or business in this guide is not to be construed as Council endorsing or promoting, or not as the case may be a service, facility or business above any other. Bus routes and bus stops are correct at the time this publication was created and are subject to change. The location of facility symbols on the map are indicative only. Symbols on the map are indicative only. If you have any comments or additions for the maps please email them to activetransport@brisbane.qld.gov.au. Any Park & Stride points on the map are not intended to be a guide to the location of these facilities. Jindalee State School as a whole is not shown on this map. Please talk to your child’s teacher for information about the locations of your child’s school. If you live too far away to drive your kids to school, you may take part in the carpool point of the map. You are responsible for your own and your children’s safety while using the links on this map.
