## NAPLAN Online Success

This year we transitioned to NAPLAN online which was a resounding success. Our students were extremely calm, thanks to the support of parents and how well our staff prepared students for this transition.

## Report Cards

Report cards will be emailed to families on Wednesday of Week 10.

## Infrastructure Update

It is great to have both the junior play equipment and senior play equipment fully operational. There is still some works to finalise where the old music block and tank was.

Our new solar panels have been installed which is fabulous. The senior toilets refurbishment commenced this week and should be about a 6-8 week project. I know that our senior students are looking forward to the upgrade of their toilets.

## Prep Playground

For those parents who are unaware, our Jindalee After School Care Program uses our Prep playground as part of their after-school care program. This means that this playground cannot be used after school, by children or students who do not attend this program.

## School Uniforms

With the cooler months upon us, it is important for students to be wearing the correct winter uniform. Jumpers other than school-approved jumpers are not to be worn at school.

If your child does not have a school jumper, please organise one for them. At Jindalee State School we have high expectations around the wearing of our school uniform and expect all students to wear their correct school uniform.

I also ask that all parents do a check of uniforms and jumpers to ensure they are clearly named. Our lost property containers are spilling over with unnamed clothing.

## PRINCIPAL'S NEWS

We have had a fabulous Term 2 here at Jindalee State School. It was an extremely busy term with our students participating in NAPLAN online for the first time and our Year 6 camp.

We continue to have COVID-related absenteeism for staff and students which has proven challenging for staff. We are working together to make the necessary adjustments to planning and teaching, so that the critical content for English, Mathematics and Science remains our core priority.

## Election Day - 21 May 2022

### Sausage Sizzle - Volunteers Needed

We are holding an Election Day Sausage Sizzle to raise money for the School's P&C on Saturday 21 May.

On the day we'll need people to help cook, serve, pick-up supplies, set-up, and clean-up. Set-up will commence at 6:30 am with the BBQ running until 2 pm, and we should be all packed away by 3:30pm.

If you feel you could help out with any of this can you please contact James Lindley at [electionsausage22.jss@gmail.com](mailto:electionsausage22.jss@gmail.com).

## Music Support Group Bake Sale

The Music Support Group are holding a bake sale alongside the Election Day Sausage Sizzle and would love your help in helping raise some funds for the Music Department. If you or your child are keen on baking and would like to help us, **please bring some baked treats at 7am-8am on Election day** (and maybe vote early to avoid the crowds). If you can stick around for an hour or two, please go to this link to let us know: <https://signup.com/go/NLHiPdb>

We would love your help with either cooking or helping on the day. Please note we don't have access to a fridge for the day so nothing too delicate. Fudge, biscuits, cupcakes, brioche things, tarts, macarons, let your imagination go wild.

If you are cooking, please do not bring food in your best containers as the clean up afterwards is not fun and a return of the container is not guaranteed. Zippy bags or similar would be amazing and quite COVID safe. Happy cooking!

## JSS Family Disco - 17 June 2022

The P&C is hoping to host a Family Disco evening on Friday 17 June with food trucks, a DJ and a Bar for the adults! (Weather and all other obstacles permitting!!!)

To make this event a success, we need some assistance from our school community - please see

below and email [events@jsspandc.com.au](mailto:events@jsspandc.com.au) if you can help:

**Bar Manager** - to allow us to run a Bar, we need a volunteer to work with the Operations Manager to coordinate the preparations and execution of the Bar on the night. This includes purchasing of stock and organisation of volunteers for service. This person must have (or be willing to obtain) a RSA certificate (Responsible Service of Alcohol).

**Raffle Coordinator** - to assist us with fundraising, we have the opportunity to run raffles on the night. We often have numerous businesses willing to donate gifts/prizes, so we need someone to coordinate this as well as run the raffles on the night.

If you can't commit to one of these roles, but can help in any other way, leading up to or on the night, please also get in touch!

It would be great to be able to get together socially again and reconnect with our school community. The more assistance we have from our school families, the better this event will be!

## SCHOOL PROCEDURES

### The Stop, Drop & Go Zone

We will be returning to normal drop off and pick up arrangements now that restrictions have been eased.

However, we have noticed that staggering the drop-off and pick-up times in the Stop, Drop and Go Zone have really worked towards assisting with the flow of traffic through this area, so we would like these to continue. Please see below:

- **Stop, Drop and Go Zone – Prep and Year 1 children**
  - Please drop off your Prep and Year 1 child between 8:40am and 8:50am
  - If you have a child or children in another year level as well, please drop off your child between 8:40am and 8:50am
  - Please pick up your Prep and Year 1 child between 3:10pm to 3:20pm
- **Stop, Drop and Go Zone – Years 2 - 6**
  - Please drop your child off between 8:30am – 8:40am
    - If you have a child in Prep or Year 1 as well, please drop all children off at the Stop, Drop and Go Zone between 8:30am and 8:40am
  - Please pick your child off between 3:20pm and 3:30pm as this will allow our Prep and Year 1 students to be picked up from 3:10pm – 3:20pm
    - If you have a child in Prep or Year 1 as well, please pick all of your children up between 3:10pm – 3:20pm

Please note the following when you are using this zone:

- It is a 2 minute only zone
- In the afternoon, the orange cones at the entrance will be removed at 3:10pm so cars can enter the zone – this is so that our students have adequate time to leave their classrooms and walk up to the zone
- Drivers must stay with their car
- It is a stop, drop and go zone
- Move to the front
- This is not a parking zone

It is important that we use this area correctly to ensure the smooth flow of traffic. To assist with the 'stop, drop and go', especially in the mornings, it would be beneficial for children to have their bags, belongings, homework, notes, hair done, shoes on etc. ready to go and organised so that when you stop, children can get out quickly and safely.

### Sick Students

It is absolutely vital, that if your child is sick, they must remain at home.

### Student Absence Notification Process

Please remember to call the school on 3725 5777 and leave a voice message (option 1), or email [absent@jindaleess.eq.edu.au](mailto:absent@jindaleess.eq.edu.au) early in the morning if your child is going to be away, or late for school, so your child's absence can be recorded correctly.

Please ensure you state very clearly:

- Your name and contact number
- Child/rens name
- Reason for absence (ie> illness, holiday, appointment, etc)
- Duration of absence

### Financial Procedures

The office is no longer accepting cash payments, however EFTPOS is again available through the office payment window (Monday - Friday, 8:30am - 10:30am).

BPOINT is an online payment system and is the **preferred payment method**. This option is accessed through an internet weblink which appears on all invoices and statements.

When making payments via BPoint from the invoice or statement, please ensure to enter each payment separately using the invoice number and amount.

Payment will not clear if entered any other way.

Please be mindful when paying via BPoint for overdue invoices, as payments may take 48 hours to register in the system. To avoid any confusion, we strongly recommend you pay before the due date. We also encourage you to take a screenshot of the receipt and email to [info@jindaleess.eq.edu.au](mailto:info@jindaleess.eq.edu.au).

If you are expecting an invoice for an excursion/incursion/camp or other school related program, please check your "Junk/Spam Folder" or search your emails for "@eq.edu.au". Invoices are emailed on the day of/or day after circulars are handed to students. If you still cannot locate the invoice and need another

copy, please email us on [info@jindaleess.eq.edu.au](mailto:info@jindaleess.eq.edu.au) or call 3725 5777.

NB: Our system can only allocate 1 parent/carer per household to receive invoices/statements (unless your children live between parents/carers - then we can split invoices 50/50 - on request only).

2022 Student Resource Scheme and current statements have been issued. As mentioned above, please search both parent/carers emails & junk/spam folders, and if still having issues locating them, please contact the office to request another copy.

We appreciate payment of these as soon as possible.
