## PRINCIPAL'S NEWS

Hello Jindalee State School Community,

I wanted to take this opportunity to share with you a staffing update. I am proud to say that I have recently been appointed as permanent Principal to Jindalee State School. I would like to acknowledge the contributions that previous Principal, Penny Grant made to our school community and we wish her all the very best on her next appointment.

The news doesn't stop there. I'm also delighted to share that Ashlee Lieschke has been appointed as permanent Deputy

Principal to Jindalee. We both value the connections we have made with our school community during the time we've been here at Jindalee State School, and look forward to continuing these on as we move forward together.

## Bike Cage

To ensure the safety and security of students' bikes/scooters in the bike cage, located near the *Stop Drop n Go Zone*, the cage will be locked at 9:15am and will be reopened at 2:30pm.

## School Opinion Survey

Thank you to all of you who have already completed the *Parent/Caregiver Survey*. If you have not had a chance to complete the survey yet, please note that the online surveys will remain open until **Friday, 16 August 2024**. This is your opportunity to provide feedback about what our school does well and how we can improve.

To have your say, check your email for an invitation from the Department of Education titled *School Opinion Survey for parents and caregivers, 2024*.

Can't find your invitation? If your family has more than one parent/caregiver, check that they haven't received the invitation and/or check your junk email folder.

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School

Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools.
- consider how they can strengthen the support of students with disability in schools.
- develop shared practices so that they can review their learning programs to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

## Term 3 Parent Teacher Interviews

Parent Teacher Interviews with teachers will be held on Monday 2 September & Wednesday 4 September from 3.30-6.30pm. This term, interviews will be set up in three locations across the school, not in classrooms, as they previously have been. Please see below:

- Prep - Yr2: Conference Room (Admin building above the office)
- Yr3 - Yr4: Science Room (B Block)
- Yr5 - 6: Library (Kirinari)

If you need to visit teachers in more than one location, please allow some time between appointments to move around the school. We have set up the times with a 5 minute buffer between appointments to assist with this.

The booking platform will be opened from 9am Monday 12 August to 3pm Monday 26 August. The link will be sent out to families on Monday 12 August - please ensure you mark [communication@jindaleess.eq.edu.au](mailto:communication@jindaleess.eq.edu.au) as a 'Safe Sender' in your email inbox and check your junk/spam folders regularly for any emails from an [.eq.edu.au](mailto:..eq.edu.au) address.

Happy fortnight,

Vanessa Munker

## eLEARNING NEWS

### BYOD

#### Save the Date – BYOD Online Information Session

Week 9, Tuesday, September 3, 6pm, Jindalee State School's eLearning Team will be providing an **online BYOD Information Session** for all families with students in Years 2 – 6 in 2025. This information session will be presented through the use of Microsoft Teams and a week prior to the session, parents/carers will receive an emailed invitation with the required Teams link. **Please ensure you RSVP to this email invitation.** Our information session will cover...

- the basics of our BYOD program,

- the eLearning Team and what we offer,
- expectations,
- minimum device specifications,
- the BYOD Student Participation Agreement,
- Online Services Consent,
- issues students experience which parents/carers can remedy from their end, and
- an opportunity for questions.

## Laptop Battery Health

Is your child's BYO device lasting as long as it needs throughout the school day? A common issue at this time of the school year is laptop battery life.

There are a number of reasons why a BYO laptop's battery isn't lasting throughout the day. Some of the possible reasons include battery 'memory', age, mis-calibration etc. Below are some basic steps that can be taken to strengthen the life of your child's laptop battery.

At least once per week (weekends are best) completely drain the laptops power. To do this you will need to use the laptop until it turns itself off, due to what it thinks is it's low battery point. Turn the laptop on again (you may need to do this a few times) until it will not turn on at all.

Once the battery is fully drained, it is time to fully charge the laptop's battery but ensure there are no interruptions to this charging process. By using this process, the battery loses its power 'memory'; where it thinks it no longer has enough power to operate. It also helps the system recalibrate the battery's charge indicators.

If your child's laptop continues to have battery issues, it is important to have an IT professional assess the laptop as it may need to be replaced and this is a cheaper option than needing to purchase a new laptop.

Remember, if you require any eLearning support, email [elearning@jindaleess.eq.edu.au](mailto:elearning@jindaleess.eq.edu.au).

## QParents

Have you noticed your QParents app now displays your child/ren's school events? Our staff have now begun transiting to QParents for our excursion dates and the initial feedback from our families has been very encouraging.

Over the next two terms, we plan to trial digital excursion permission forms via QParents Consent module (like the Media Consent and the Online Services Consent surveys) but not for all events; we want to iron out as many technical issues as possible before we implement this fully in 2025. A majority of our excursion permission forms will continue to be paper-based but for the trial digital permission forms, your child's classroom teacher will inform you if a digital permission form will be pushed out to QParents.

If you require any support with the use of QParents, email [elearning@jindaleess.eq.edu.au](mailto:elearning@jindaleess.eq.edu.au).

## District Athletics

Last week, 30 students from Jindalee State School competed at the Northern Eagles District Athletics Carnival. It was an exciting two day event, with students from all the primary and high schools in our district participating in track and field events. Our Jindalee athletes displayed incredible efforts, running, jumping and throwing their way into finals events and onto the leaderboard!

A few outstanding results from the carnival include:

Annie S placing 2nd in the 1500m and 3rd in the 800m

Louis A placing first in shot put

Henry B, Makellen A, Zac T and Zarah T all qualifying for sprint finals

A huge congratulations to all our Jindalee athletes.

## Interschool Sport

The second interschool sport season of the year, is starting for students in Year 5 and 6. We have selected our teams and training is now underway ahead of the first games beginning in Week 6. This semester, students are competing in AFL, Touch Football, Softball and Volleyball. Games are held on Friday afternoons in Weeks 6, 7 and 9 of Term 3 and Weeks 1 and 2 of Term 4.

Permission forms and payments are due by the end of Week 5. One reserve date has been scheduled in case of cancellation (ie. due to inclement weather.) No refunds will be made for missed games.

## Swimming Lessons

Swimming lessons begin in Week 7 for students in Prep to Year 3. Each class will take the bus to the Jindalee Pool for one 30-minute lesson per week, for four weeks. In these lessons, students will be developing essential water safety skills as per the Education Queensland guidelines. These practical sessions are reinforced by important safety learning within Health lessons.

Permission forms with the class schedules and additional details have been sent home. Please return these, along with the swimming survey to your child's class teacher.

For further information regarding the swimming program at Jindalee, please contact HPE Teacher and Sports Coordinator Ms Champion at [mchin25@eq.edu.au](mailto:mchin25@eq.edu.au).

## ICAS NEWS

### ICAS Test Dates

Thank you to all the families who have registered their child/ren for the ICAS tests. As previously highlighted, these tests will be sat from Week 5 through to Week 8 of this term. To assist with your own planning, below are the testing dates and times for all the ICAS tests. Those who have nominated their child/ren will also receive this information via email.

You will notice that **all testing sessions will be after school**, on either Tuesday or Wednesday afternoon in the Conference

Room (above the administration). To support your child/ren please ensure they have a suitable snack for an afternoon tea on the balcony.

In preparation for these tests, it is essential your child/ren have their BYO device with the **Janison Replay Locked-down Browser** installed. Also, make sure your child/ren know their MIS ID (school username) and unique password.

If you need support installing the Janison Lock-down Browser, contact the eLearning via [elearning@jindaleess.eq.edu.au](mailto:elearning@jindaleess.eq.edu.au).

? Pay particular attention to the finishing times relevant to your child/ren. If you are not picking your child/ren up after the tests, please ensure you email [elearning@jindaleess.eq.edu.au](mailto:elearning@jindaleess.eq.edu.au) stating how your child/ren will be departing.

Please note, if your child is ill, make-up test sittings can only be provided on Friday afternoons of the set test week, e.g. *Writing Test make-up session would be Week 5, Friday afternoon, 3.15pm.*

Checkout our BRAND NEW website [jssfete.com.au](https://jssfete.com.au) where you can find all the information you want to know about Fete day, including purchasing your *ride passes and cash cards*. You can also follow the JSS fete [Instagram](#) and [Facebook](#) to help stay up-to-date with callouts about the event of the year.

### Volunteers

Now is the time to [sign up](#) and volunteer for Fete Day! The [entertainment schedule](#) is live on our website, so check it out to see when your kids are performing. This community event relies on the support of volunteers to be successful. By signing up for just 1-2 hours on the BBQ or one of the P&C game stalls, you can help ensure everything runs smoothly. It's also a wonderful opportunity to involve our children, teaching them the importance of giving back to their school and community. Your participation will make a difference—join us and help make Fete Day unforgettable!

### Donations

Thank you for the wonderful donations of chocolate and lollies at last week's Free Dress Day. We are still after multiple items to help make fete day a success and to help raise as much money as we can for the Burrendah Rd Playground upgrade. Please have a look at the [Donations page](#) of the JSS Fete website for the items we are currently seeking and for information regarding drop off.

### Cake Competition and Donations

Order your cake boxes now! To reduce waste, cake boxes will need to be ordered through a [Google form](#) and will be sent home with your child/ren from the 19th August.

## P&C NEWS

### P and C Meeting

Next meeting is 12th August at 6pm.

We have several non-executive roles this year that are essential to helping our team create magic and are still available:

- Fundraising Coordinator - Open for Nominations
- Social Media Guru - Open for Nominations
- Arts Program Events Coordinator - Open for Nominations
- Arts Program Team Members - Open for Nominations

If you are interested in any of these positions, please email us at [exec@jssspandc.com.au](mailto:exec@jssspandc.com.au).

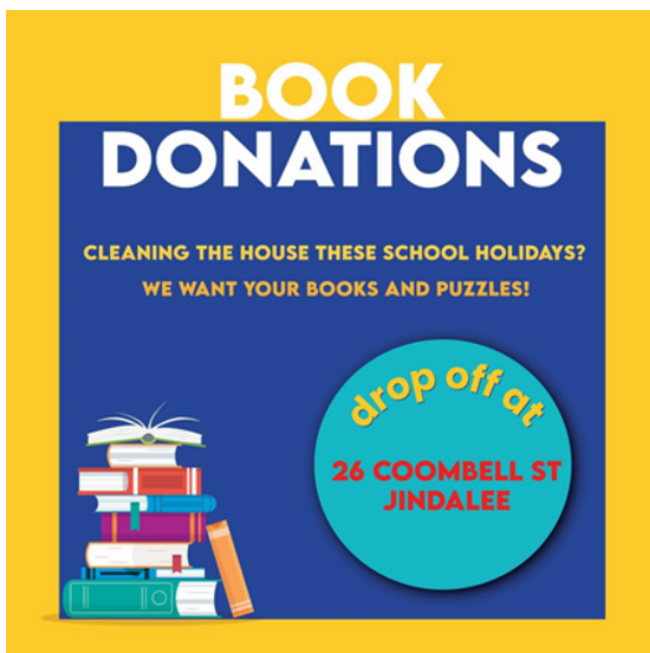

### 2024 Fete Update

### Book Donations

Keep your book donations coming! We still need lots more. Please drop off at 26 Coombell St, Jindalee.

### Readathon

Money has all been counted and prizes have all been passed out and we have officially raised \$6300.

A big congratulations to Maxwell in Prep who was the Highest Fundraiser. Maxwell raised \$400!

Congratulations to Isabella in 1C for reading 55 books! This is a huge achievement.

Special Mention to Xavier, Madison, Morgan, Emma, Shadi, and Ava who all raised over \$200.

The JSS Info Point is your 'go to' reference zone for details on school policies, procedures and need to know info.

## QSuite

## QSchools

In Term 2 2024, many features within QSchools were migrated to QParents. As a result, as of the beginning of Term 2 2024, the QSchools is no longer available or being updated.

School information, including enrolment and contact details can now be found in [the Schools Directory](#).

To get started with QParents, see below.

QParents is a user-friendly portal accessible via app or web browser, providing parents with secure online access to information about their child's state schooling.

QParents allows you to access and manage information online about your child.

You can access and update information about:

- attendance details
- timetables and upcoming events
- report cards and assessments
- invoices and payment history
- student medical conditions
- contact details (including addresses)

To register, you will need:

- your unique invitation code sent to you by your child's school
- an active email account
- each child's EQ ID number
  - *Your child's EQ ID number can be located on an invoice you have received from us. It appears next to their name.*
- 100 points of ID to verify your identity.

Please email [elarning@jindaleess.eq.edu.au](mailto:elarning@jindaleess.eq.edu.au) for a parent invite request to register for QParents.

For more details and a list of documents you can use to verify your identity online see the [Registration fact sheet for parents](#).

Further information is available here:

- [Watch the QParents overview video](#)

## School Procedures

### Before School Routines

Before school routines have been refined to ensure that students are ready to learn by prioritising a calm and settled start to the school day.

Please ensure that children arrive at school with sufficient time to prepare for the day. Students should arrive by 8:45 am but not before 8:15 am as there is no supervision. Parents/Carers are encouraged to access the School-Aged Care Program if early drop offs or late picks ups are required, information about this can be found here: <http://www.jindaleesacp.com.au/>.

If students do arrive **before 8.15am** they are to make their way to the **silver tables and chairs outside the office** where they are required to **sit and wait**.

To ensure the safety of all students, a member of the Jindalee SS Executive Team may contact parents/carers regarding any early arrivals. The duty teacher will collect students at 8:15am to move to the Year 4 Eating shed/Central shed where they will sit until 8:30am.

At 8:30am students move to their year level designated areas as pictured below:

Designated year level locations			
Prep	Prep		
Year 1 & 2	Mall area (if raining Year 1/2 eating area)		
Year 3 & 4	Year 4 Eating Shed/Central Shed		
Year 5 & 6	Year 5 Eating Shed		

During this time the expectations for students are:

- Seated on chair, ground or on yarning mats – not walking around
- Reading books or talking in social groups is encouraged
- No handballs/balls/games
- No toys to be played (or brought to school)
- Devices/Mobile phones are away (in bags)
- Raise hand to gain permission for – toilet and/or drink of water (independently or with a buddy)

When the bell rings at 8:50am:

- Students line up in your designated year level location
- Make sure you are behind the witches hat with your class label on it
- Your teacher will collect you from this location

## The Stop, Drop & Go Zone

The zone is open in the mornings from 7am-9am and in the afternoons from 3:10pm – 3:30pm. It is a no standing zone from 2:30pm until 3:10pm - in the afternoon this zone will have traffic cones closing it until 3:10pm.

**Why?** – The official pick up zone is located on Wongaburra Street because it provides vehicles a safe place to collect children that is not on the main road, away from passing cars and buses. The Wongaburra zone does not open until 3:10pm in the afternoons, because all the children do not arrived at the zone until this time. Previous trials have found the zone only works when all children are present, otherwise cars park and wait, which blocks the zone until their child arrives.

## How to use the Stop, Drop & Go Zone

1. Please have your children ready to go, with their bags. Parents should not leave their vehicle during pickup or drop off. You should not be packing children's bags or doing their hair in the zone. **Please** be as quick as possible to keep traffic moving.
2. Please obey the "NO RIGHT TURN" signs entering the zone and leaving the zone. If you travel along Wongaburra St from Curragundi Rd please drive all the way to the end of Wongaburra St and do a u-turn at the intersection with Mt Ommaney Dr. Do not turn right into the zone or perform a u-turn into the zone at Jenee St. These actions are unsafe and illegal.
3. In the afternoons, **please do not arrive until after 3:10pm**. Plan to arrive at 3:15pm or even 3:20pm.
4. Please move as far forward in the zone as possible and keep moving up until your child approaches the vehicle to get in. Make space in the zone to avoid traffic backing up along the road.
5. The 'No Parking Zone' directly outside the Prep buildings is used for cars to move out of the flow of Wongaburra St traffic and join the traffic heading into the Stop, Drop & Go Zone. Please do not queue here before 3.10pm.
6. Please listen to direction from school staff and police. If your child is not present at the zone, then leave and return later.
7. Consider parking away from the school in Curragundi Road, Arrabri Avenue or Mt Ommaney Drive. If your children are too young to walk alone then meet them at the back gate to the oval or at the front of the school. If children are older they can walk to these locations across the school oval and utilise crossing supervisors to cross the road safely.
8. Please do not double park and call your child out onto the road whilst illegally parked.

## Sick Students

It is absolutely vital, that if your child is sick, they must remain at home.

## Student Absence Notification Process

If your child is going to be absent from or late to school, please register their absence **before 9:30am**, so their attendance can be recorded correctly on our system.

To do so, please **choose one** of the following...

- Use the QParents app (preferred) **OR**
- Call the school on 3725 5777 and leave a voice message (option 1) **OR**
- Email [absent@jindaleess.eq.edu.au](mailto:absent@jindaleess.eq.edu.au)

If leaving a voicemail or sending an email, please ensure you state very clearly:

- Your name and contact number
- Child/ren's name & class
- Reason for absence (ie> illness, holiday, appointment, etc)
- Duration of absence

## Financial Procedures

No cash payments are accepted. All payments can be made via QParents/BPoint and EFTPOS through the office payment window (Monday - Friday, 8:30am - 10:30am).

**QPARENTS** - Please refer to this section on the newsletter for further details on setting up this app.

**BPOINT** is an online payment system and is the **preferred payment method (along with QParents)**. This option is accessed through an internet weblink which appears on all invoices and statements.

When making payments via BPoint from the invoice or statement, please ensure to enter each payment separately using the invoice number and amount.

Payment will not clear if entered any other way.

**ALL 4 fields MUST be filled in!**

CRN: Customer Reference Number

Please be mindful when paying via BPoint for overdue invoices, as payments may take 48 hours to register in the system. To avoid any confusion, we strongly recommend you pay before the due date. We also encourage you to take a screenshot of the receipt and email to [info@jindaleess.eq.edu.au](mailto:info@jindaleess.eq.edu.au).

If you are expecting an invoice for an excursion/incursion/camp or other school related program, please check your "Junk/Spam Folder" or search your emails for "@eq.edu.au". Invoices are emailed on the day of/or day after circulars are handed to students. If you still cannot locate the invoice and need another copy, please email us on [info@jindaleess.eq.edu.au](mailto:info@jindaleess.eq.edu.au) or call 3725 5777.

NB: Our system can only allocate 1 parent/carer per household to receive invoices/statements (unless your children live between parents/carers - then we can split invoices 50/50 - on request only).

2023 Student Resource Scheme have been issued to those families who have returned the SRS Agreement form. This form is only required to be filled in once for each student's attendance at Jindalee State School.

We appreciate payment of these as soon as possible.

## COMMUNITY NEWS

### Casual Position Vacant

A casual position exists for a School Crossing Supervisor at Jindalee State School.

The hours of work for the School Crossing Supervisor may be up to 1.5 hours on any school day (Monday- Friday) in all weather conditions.

Commencement of work for the successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a qualified Medical Practitioner according to the guidelines in the "Notes for Medical Practitioner" on the School Crossing Supervisor Scheme - Health Assessment Form.
- The applicant must either hold a current Blue Card or be eligible to apply for a Blue Card to the Commission for Blue Card Services. An applicant will not be employed by the Department of Transport and Main Roads unless they meet this criterion.

Please Note – The Department of Transport and Main Roads will organise and pay for both the Medical Assessment and Blue Card for the successful applicant.

Interested applicants should send their resume to [ipswichroadsafety@tmr.qld.gov.au](mailto:ipswichroadsafety@tmr.qld.gov.au) or contact Joanne Philp, Road Safety Officer on 0417 075 654.
