From the Principal

School overview

Jindalee State School is a co-educational Queensland state government Prep to Grade 6 school with an enrolment of 826 students. There is a growing enrolment demand for places and this is being managed through the school's Enrolment Management Plan. The students are predominantly from the local and near suburbs with fee-paying international students also currently enrolled. A program for students with disabilities operates inclusively in the school. The school strictly adheres to the requirements of the Australian Curriculum. A Bring Your Own Device iPad program operates within the school from Grades 2-6. Jindalee State School is a Positive Behaviour for Learning School, with introduction of this behaviour system rolling out over the 2018 school year. Our students are active members in the school community, with students progressively taking more responsibility and moving towards various leadership roles within the school. In addition, Jindalee State School genuinely engages parents as full partners in their children's education. Visit the school website.

Our school at a glance

School profile

Coeducational or single sex	Coeducational
Independent public school	Yes
Year levels offered in 2019	Prep Year - Year 6

Characteristics of the student body

Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	818	814	795
Girls	400	380	381
Boys	418	434	414
Indigenous	14	17	10
Enrolment continuity (Feb. – Nov.)	96%	97%	98%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	23	23	24
Year 4 – Year 6	27	26	27
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Jindalee State School teaches, assesses and reports on the Australian Curriculum. The Australian Curriculum consists of eight learning areas, seven general capabilities and three cross-curricula priorities for students from Prep to Year 10.

Learning Area/ Subject	General Capabilities	Cross-curricula Priorities
<ul style="list-style-type: none"> English Mathematics Science HASS (Humanities and Social Sciences) The Arts Languages (Chinese) Health and Physical Education Technologies (Design and Technologies, Digital Technologies) 	<ul style="list-style-type: none"> Literacy Numeracy Information and Communication Technology (ICT) Capability Critical and creative Thinking Personal and Social Capability Ethical Understanding Intercultural Understanding 	<ul style="list-style-type: none"> Aboriginal and Torres Strait Islander Histories and Cultures Asia and Australia's Engagement with Asia Sustainability

Jindalee State School utilises, adopts and implements resources from Curriculum into the Classroom (C2C) to support the implementation of the Australian Curriculum and ensure consistency and rigour across the school. At Jindalee State School *Explicit Instruction* is the structured, systematic and effective methodology for teaching new concepts and skills. *Explicit Instruction* lessons are categorised by a series of distinct phases. It is every teacher's business to ensure that every student leaves the lesson knowing the critical content.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

Jindalee State School has an extensive co-curricular and extra-curricular program, designed to supplement and complement our school-wide curriculum. These activities enrich and extend the learning and cultural experiences of our students.

At Jindalee State School, the following activities are included in our co-curricular and extra-curricular program:

<ul style="list-style-type: none"> • Choirs and Choral Program • Marimba Band • Junior and Senior Strings Ensemble • Junior and Senior Band • Tournament of Minds • Math Teams Challenge • International Student Program • Writer's Club • Reader's Cup • Cyber Safety • Soccer • Softball • Touch Football / Flag Tag • Netball • Cricket • Australian Rugby League • Active School Travel • Cycle Skills • Tech Crew • BYOD Lead Students • Student Leader Program • Student Council • Grandparent's and Special Friend's Day • Harmony Week • National Day of Action against Bullying and Violence • Daniel Morcombe Day 	<ul style="list-style-type: none"> • Chess Squad • Coding and Robotics Club • Music Showcase • Music Concert Night • District and Regional sports • Camps • Excursions and Incursions • Homework Club • Maths Support Club • Human Relations • Transition Program Year 6 to High School • Transition Program Year 5 programs (science, writing, leadership) • National Science Week – Cluster Science Expo • ICAS National Test Program • Literacy Festival (aligned to Book Week) • Chinese Excellence Day for Year 6 • Student Discos • Christmas Carols Night • Free Dress Days (Charity fundraisers, theme days) • Graduation Ceremony • Investiture Ceremony

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

How Digital Technologies are used to Motivate and Extend Learning

Jindalee State School values the importance of being digitally literate and connected, preparing our students to contribute confidently, effectively and innovatively within local and global communities. Students explore and use digital technologies in both formal teaching and learning situations and extra-curricular opportunities. Jindalee State School is committed to exploring and implementing innovative ways to support our students and teachers to use digital technologies in their teaching and learning. As part of the Australian Curriculum - Digital Technologies, our learning programs aim to develop our students problem solving and collaborative skills, to not only encourage our students to be effective users of technology but also creators of digital solutions.

Jindalee State School is a BYOD (Bring Your Own Device) school for Years 2-6 where students use iPads and/or laptops to develop student general capability with ICT and to create digital solutions. Prep and Year 1 students have access to school owned iPads and laptops.

The school supports the development of teacher pedagogy and digital learning programs via the employment of a Digital Learning Co-ordinator who provides a variety of coaching, mentoring and modelling opportunities for teachers and students. The Digital Learning Co-ordinator is also responsible for the delivery of extra-curricular activities including STEM programs that motivate and extend student learning. Jindalee has been able to provide a specific learning environment to facilitate activities that encourage engagement into real life situations/ problems allowing for wider-student involvement.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

The Jindalee State School community has a distinctive approach to developing relationships and partnerships. In 2018, this was brought about by the development of the 3 school-wide expectations: *Be safe, Be respectful and Be a learner*, by a more considered approach to building relationships and through the ongoing efforts of all members of the school community. We are further developing as a caring and nurturing community where all members are supported to achieve their goals. Behind the scenes, throughout 2019, the school continued to review the whole-school processes around managing and supporting behaviour through *Positive Behaviour for Learning*. Our school also had a Chaplain working with our community to develop our values education and social skilling during 2019. During 2019, the school conducted a leadership program for Year 6 students.

School decision making is collaborative and provides for everyone to have a say through the Parents' and Citizens' Association and our School and Student Councils. Students and parents reported overwhelmingly that Jindalee is a good school where they feel safe and are satisfied that the students are receiving a good education.

Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys.

Table 3: Parent opinion survey

Percentage of parents/caregivers who agree# that:	2017	2018	2019
• their child is getting a good education at school (S2016)	97%	97%	97%
• this is a good school (S2035)	97%	96%	95%
• their child likes being at this school* (S2001)	97%	100%	94%

• their school gives them opportunities to do interesting things (S2079)	91%	96%	95%

* Nationally agreed student and parent/caregiver items.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively

focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	19	14	20
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	261,372	256,854	264,067
Water (kL)	5,577	9,333	2,436

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

School funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the [My School](#) website.

How to access our income details

1. Click on the *My School* link <http://www.myschool.edu.au/>.
2. Enter the school name or suburb of the school you wish to search.

The screenshot shows a search bar with the placeholder text "Search by school name or suburb". To the right of the search bar are three dropdown menus labeled "School sector", "School type", and "State". A magnifying glass icon is located to the right of the "State" dropdown.

3. Click on 'View School Profile' of the appropriate school to access the school's profile.

4. Click on 'Finances' and select the appropriate year to view the school financial information.

Note:

If you are unable to access the internet, please contact the school for a hard copy of the school's financial information.

Our staff profile

Workforce composition

Staff composition, including Indigenous staff

Table 8: Workforce composition for this school

Description	Teaching staff*	Non-teaching staff	Indigenous** staff
Headcounts	64	32	<5
Full-time equivalents	52	21	<5

*Teaching staff includes School Leaders.

** *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

- https://cdn.qct.edu.au/pdf/Policy_Teacher_registration_eligibility_requirements
- <https://www.qct.edu.au/registration/qualifications>

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.

Staff attendance and retention

Staff attendance

Table 10: Average staff attendance for this school as percentages

Description	2017	2018	2019
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of staff retained from the previous school year

From the end of the previous school year, 94% of staff were retained by the school for the entire 2019.

Performance of our students

Key student outcomes

Student attendance

The overall student attendance rate in 2019 for all Queensland state Primary schools was 92%.

Tables 11–12 show attendance rates at this school as percentages.

Table 11: Overall student attendance at this school

Description	2017	2018	2019
Overall attendance rate* for students at this school	95%	95%	95%
Attendance rate for Indigenous** students at this school	91%	91%	93%

* Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).

** *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Table 12: Average student attendance rates for each year level at this school

Year level	2017	2018	2019
Prep	95%	95%	94%
Year 1	95%	95%	94%
Year 2	96%	95%	95%
Year 3	96%	95%	95%
Year 4	95%	96%	96%
Year 5	95%	94%	96%
Year 6	96%	95%	94%

Year level	2017	2018	2019
Year 7			
Year 8			
Year 9			
Year 10			
Year 11			
Year 12			

Notes:

1. Attendance rates effectively count attendance for every student for every day of attendance in Semester 1.
2. Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).
3. DW = Data withheld to ensure confidentiality.

Student attendance distribution

Graph 1: Proportion of students by attendance rate

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 NAPLAN tests are available via the [My School](#) website.

How to access our NAPLAN results
