

Investing for Success

Under this agreement for 2021 Jindalee State School will receive

\$295,024*

This funding will be used to

- Increase the percentage of students in the upper two bands in Writing in for Year 3 in 2021 to 45% and Year 5 to 28%
- Increase the percentage of students achieving a C and higher in English to 93% for Prep to Year 6.

Our initiatives include

- Provide time for year levels to meet in Year Level Meetings and planning sessions to review and analyse student data in Writing, to inform differentiation and next teaching and learning steps, to monitor student improvement in Writing and re-assess teaching strategies, intervention and programs to align with current student data improve Writing and English A-E outcomes.
- Implementing quality and timely intervention for students to improve Writing and Reading outcomes.
- Providing teachers time to watch others work and mentor around the teaching of Writing.
- Analysing assessment task data to inform next English unit teaching and learning cycle, differentiation and strategies to improve student outcomes.
- Engagement of additional learning support teacher aides (early intervention and Mini-Lit) to assist with ongoing intervention for targeted students.
- Additional teacher aide time to assist with early intervention, PD and implementation of an oral language program for Prep students.
- Technical support for students and teachers and pedagogical support for teachers involved in the BYOD program.
- Engagement of a Digital Learning Coordinator to develop STEM initiatives and clubs in our school and provide teacher support for embedding STEM across various subjects.
- Continuation of the support-a-reader program across the school, targeting students identified through data analysis.
- Employment of additional learning support teacher time in Semester 2 to assist students with intervention and extension.
